ACKNOWLEDGEMENTS

This work "SOCIAL LIFE AND INSTITUTIONS AMONG LAMBAJIS" was completed under the able guidance of Dr. B.H. Amati, Professor of Sociology, Karnatak University, Dharwad. I wish to place on record my sincere gratitude to him. His valuable suggestions, help, encouragement and able guidance were profusely available to me time after time. This enabled me to bring out this thesis in the present form. I am also grateful to the Chairman and other faculty members of the Department of Sociology, Karnatak University, Dharwad for their constant encouragement throughout the course of this study.

I am especially grateful to the authorities of Karnatak University and SC/ST Cell, Dharwad for awarding me a fellowship to carry out this research work.

I am grateful to the Lambanis in general of Dharwad district and to the informants, particularly in Dimur Tanda. They were very cooperative with me. Without their affectionate consideration and cooperation I could neither have begun nor completed my research satisfactorily. Special mention must be
made of Shankar Naik, ex-Mandal Panchayat Member, Ramappa Sakru Naik and Hiriyappa Chapa Naik of Dinjur Tanda. Further I remember with gratitude the Lambani women folk who treated me as one of their family members during the course of the study.

My sincere thanks are also due to my brothers and sisters for their encouragement in carrying out this research work, without the constant help, love, admiration, endearment and encouragement of all these persons this work would not have been completed. Their moral support has enriched my present work.
