ACKNOWLEDGEMENT

I express my deep sense of gratitude to my Supervising Teacher Dr. (Mrs.) Kusuma Neelakantan, Chairperson, School of Ocean Sciences, Karnataka University Post Graduate and Research Center, Karwar, for her guidance, invaluable suggestions and constant encouragement for the successful completion of the work.

I am extremely grateful to the Late Professor, Dr. B. Neelakantan, former Chairman, School of Ocean Sciences, Karnataka University Post Graduate and Research Center Karwar, for his timely and unconditional help and encouragement.

I express my sincere gratitude to the present Director of C.M.F.R.I, Cochin, Dr. Mohan Joseph Modayil and former Directors of C.M.F.R.I, Dr. M. Devaraj, Dr. V.N.Pillai for providing the necessary facilities at the institute for my research work.

I deeply acknowledge the constant encouragement and invaluable suggestions and advices given by Dr. N.G. Menon, Principal Scientist and Principal Investigator of the DOD-DSL Project, C.M.F.R.I, Cochin, throughout the period of study.

I place in record my sincere thanks to Dr. K. H. Mohamed for his keen interest in the subject and for critically going through the manuscript with valuable suggestions.

My sincere thanks are also due to Dr. U.G. Bhat, Reader and Mr. J.L. Rathod, Lecturer, both of the School of Ocean Sciences, Karnataka University Post Graduate and Research Center, Karwar, for their help and support.

I express my gratitude to Dr. R.S.Biradar, Principal Scientist and Controller of Examinations, C.I.F.E, Mumbai, for his timely action in processing and sending the migration certificate. I also thank Mrs. Arati Revankar for her generous help rendered for the processing of migration certificate at C.I.F.E, Mumbai and unconditional support.
I am extremely grateful to Dr. K.K. Joshi, Senior Scientist and Mr. K. Balachandran, Technical Officer, both of Demersal Fisheries Division of C.M.F.R.I., Cochin, for their unconditional help and support and for critically scrutinizing the manuscript with valuable suggestions.

It is my pleasure to acknowledge the kind of support and encouragement given by Dr. (Mrs.) L. Prabha Devi, Lecturer, School of Advance Life Sciences of M.G. University, Pathanamthitta, Dr. A. A. Jayaprakash, Principal Scientist, Pelagic Fisheries Division of C.M.F.R.I., Cochin; Dr. K.K. Appukuttyan, Principal Scientist and Head, Dr. (Mrs.) V. Kripa and Dr. P. Laxmilatha, Senior Scientists, Dr. (Mrs.) Shaji Joseph, Scientist, Mr. Mathew Joseph and Mrs. Jenni Sharma, Technical Officers, all of the Molluscan Fisheries Division of C.M.F.R.I., Cochin; Dr. George J.P. Principal Scientist, Fisheries Environment Management Division and Mrs. Rekha J. Nair, Scientist, Demersal Fisheries Division, both of C.M.F.R.I., Cochin, Mr. V. Edwin Joseph, Technical Officer (Librarian), C.M.F.R.I., Cochin and Dr. A. Gopalakrishnan, Senior Scientist of the N.B.F.R., Cochin.

I express my sincere thanks to Ms. Sherri Charter, Research Fishery Biologist, NMFS, South west Fisheries Science Center, La Jolla, California, U.S.A, for her subject expertise, valuable suggestions and for providing important references with out hesitation and delay, as and when requested. I also thank Ms. Rosalie Shaffer, Technical Information Specialist of the NMFS, Panama City Laboratory Library, Florida, U.S.A for the quick response to my requests for references.

It is with great pleasure I would thank Dr. Satish Sahayak, Project Scientist, Regional Center of N.I.O, Cochin, for his technical excellence in photography and unconditional help. I also thank Mr. K.K. Shankaran, Artist, C.M.F.R.I., Cochin, for his artistic capabilities in making the graphs and maps.

I express my gratitude to all my friends and colleagues for their unfailing help and support during various stages of my study with special mention to Dr. Manoj Nair, R; Dr. F. G. Benno Ferreira and Dr. G. Prasad, both Lecturers of St. Albert's College, Cochin; Dr. P. K. Karuppasamy, Project Scientist, Regional Center of N.I.O, Cochin; Dr. Vimala P.T.
Mrs. Simmy George, Dr. Soniraj N, Dr. Anil Kumar P.K, Dr. Girish R, Dr. and Mrs. Rammohan, Dr. Seema Khot, Mr. Rajesh B, Mr. Baiju S, Mr. Manoj B. Dethan, Mr. Unnikrishnan. V, Dr. Abraham K.J, and Mrs. Anikumari, Miss. Anjana Mohan, Miss. Jugnu R, Miss. Sreejaya R, Mr. Ramalinga, Mr. M. Vinod, Mr. P.S. Alloysious and Mr. M.N. Satyan of the Molluscan Fisheries Division, C.M.F.R.I, Cochin.

I wish to express my thanks to the Department of Ocean Development, Govt. of India, New Delhi, for providing the leptocephali collection of FORV Sagar Sampada from the west coast at my disposal and for granting me Senior Research Fellowship with out which the present study was not possible. With much gratitude I extend my sincere thanks to Dr. V. Ravindranathan, Advisor, Dr. V.N. Sanjeevan, Principal Scientific Officer and other staff of C.M.L.R.E of DOD, Cochin, for their kind cooperation and timely help. My thanks are also due to the Officers and crew of S.C.I; Fishing Masters and Fishing Hands of DOD and the Service Engineers of NORGNCIO on board FORV Sagar Sampada for their help and cooperation rendered during the cruises.

Lastly, it is my pleasure to express my gratitude to my Parents, Brother and family and to my Wife for their love, support and constant encouragement through out the period of study.
