ACKNOWLEDGEMENT

I express my deep sense of gratitude to my guide Dr. H. C. Lakshman, Reader in Botany Karnataka University Dharwad, who accepted my candidature, encouragement, advice and valuable guidance at every stage of my research work.

I express my sincere thanks to the Chairman Prof. G. Sivakumar Swamy for providing the necessary facilities in the Department. The constant advice and encouragement by other teaching staff of Post-graduate Department of studies in Botany, Karnataka University Dharwad, have been most valuable.

I avail myself this opportunity to express my sincere gratitude to Principal, Anjuman degree college Dharwad for the co-operation and encouragement. My sincere thanks are due the Principal and staff of K.L.E’s Pharmacy College Hubli for their help during my analysis work.

It is a pleasure to acknowledge the help rendered by research colleagues in the Department of Botany K.U.D. In particular, my thanks are due to Y. Srinivasulu, Prakash Hosmani, Prakash Gouda, Miss. Geeta Patil, for their help and assistance during the course of my research work. I acknowledge the help rendered by Shri N. T. Chalageri for immense help and encouragement during my research course.
