I wish to express my deep sense of gratitude and indebtedness to my beloved Research Supervisor Prof. B. B. Kaliwal, Chairman, Post-Graduate Department of Studies in Microbiology and Biotechnology, Karnataka University, Dharwad, for his valuable suggestions, inspiration and constant encouragement throughout the course of investigation. He has stood by me from the beginning, giving me moral support, guiding me in the right direction to reach my goals. My appreciation for his knowledge, simplicity, enthusiasm and helpfulness cannot be described in simple words in making me acute and perfect by providing effective advices in each and every step of this research work.

I thank and record my gratitude's to former Chairman, Prof. (Smt). B. A. Shanbagh, Prof. R. Nazeer Ahmed and present Chairman, Prof (Smt). K. Pancharatna, Department of Zoology, Karnataka University, Dharwad, for providing facilities in doing my research work.

I profusely thank the Staff of USIC Department, Karnataka University, Dharwad and Prof. Chatti, UAS, Dharwad, for providing the facilities for pursuing the research work in their Department.

I express my sincere thanks to Dr. V. Shyamkumar, Dr. C. T. Shivasharan, Dr (Smt) Pallavi Vastrad, Dr (Smt) R. D. Sanakal and Smt Waheeda Mulla for their valuable advices and support.

I would like to extend my sincere heartfelt thanks and gratitude to Mrs. Shobha Kaliwal for her blessings, Mr Rohit and Miss Reshma for their wishes, encouragement and support.
I have great pleasure in expressing my deep sense of respect and sincere thanks to my sisters and their families for keeping me conscious and helping me in the work. I treasure and cherish the love and affection of my niece and nephews.

I owe my warmest debt which I cannot repay to my Parents, Smt. Sindhu and Sri Govindrao Kulkarni, In-Laws and my Husband Mr. K. S. Prakash for nurturing my subtle interest, understanding my academic career, for their sacrifices and giving me unconditioned freedom. I adore my kids, Nikhil and Abhinav for all the endless concerns, sacrifice, love, support and strength they have given me as I pursued my work.

I am very much thankful to Smt. Shashikala Aladmarada for her motivation and blessings for this work.

I am greatly indebted to my research colleagues and friends, Mr. Deepak Mudaraddi, Mr. Sudheer I. Manawadi, Mr. G.P. Siddapur, Mr. Chandrashekhar Unakal, Mr. Arun Shetti, Mr. Suneel Dodamani, Mr. Jayaraj Chinchali, Ms Rashmi Hosmani, Ms Carina Cordeiro, Dr (Smt). T. S. Shreelakshmi, Dr K. V. Dheeraj, Dr. Gireesh Babu, and Mr. Mahantesh M. Kurjogi for their encouragement and support with worthy suggestions during the period of my research work.

It's my privilege to thank all the teaching and non-teaching staff of Post-Graduate Department of Studies in Microbiology and Biotechnology, Karnataka University, Dharwad for their help and co-operation throughout my research work.

I conclude by expressing my sincere thanks to all those who have helped me directly or indirectly in the completion of this work.

Place: Dharwad

Date: 29/11/10
