ACKNOWLEDGEMENT

I wish to express my deep sense of gratitude to my guide Dr.(Smt) Kusuma Neelakantan, Professor Department of Marine Biology, Karnataka University Post graduate Centre, Kodibag Karwar for her valuable guidance, supervision and constant encouragement throughout the tenure of my research work and preparation of the thesis.

I would like to place on record my gratitude and indebtedness to late Professor Dr. B. Neelakantan, former chairman, Department of Marine Biology, Karnataka University Post graduate Centre, Kodibag Karwar for his valuable help and encouragement.

I am thankful to Dr. U.G. Bhat, Reader, Department of Marine Biology, Karnataka University Post graduate Centre, Kodibag Karwar for his valuable advice and constant encouragement during the period of this thesis work.

I am extremely thankful to Dr. Dinesh Chandra Shetty, for his valuable suggestions and ever willing help in the correction of draft thesis.

I am deeply indebted to Dr. U.G. Naik, for his help while conducting the experiments and in the correction of draft thesis.

The help rendered by Dr. V. N. Nayak, Reader for his ever willing encouragement during the research work.

I deeply rendered by Dr. V. S. Kakati, Senior Scientist and Office incharge, CMFRI Karwar, for helping me in collection of references and suggestions throughout the research.

I am thankful to Sri. C. T. Harikantra and Sri. Mohmed Adam sayyed driver for their regular help during sampling and collection of the study material.
The help rendered by Sri. Rajkumar Radder Dept. of Zoology Karnatak University for helping me in statistical analysis and data interpretation.

I am also thankful to Sri. H. K. Praveen, Sri. Sudeep A. Palekar and Sri Vinay Karve for their ever willing help during data collection and calculation.

I express my thanks to Sri. Prakash Mesta for helping me in preparing graphs and table works.

I owe my sincere thanks to Sri. R. S. Habbu Principal, Diwekar College of Commerce for helping me statistical works.

I am grateful to Sri. J. S. Patil and Sri. Vishwakiran for their moral support rendered to me during the tenure of this study.

I am extremely grateful my mother and other family members for moral support and help during the tenure of this study.

I will be failing in my duty if I do not recollect the moral support and help rendered by my wife Kavita during the tenure of my work.

I am very much thankful to The North Canara District Co-Op Fish Marketing Federation Karwar, for providing me the fish catch data. I am also thankful to NIO head office Goa for providing me the library facility for my reference work.

Lastly, I am very much grateful to Non-teaching staff for help and Chairman Department of Marine Biology Karwar, for extending me the facilities to carry out the research without any obstacle.
