Acknowledgement

The investigator records his grateful thanks to Dr. Shahapur. Nagappa, Panchalingappa, Professor of the Post-Graduate Department of Studies in Education Karnatak University Dharwad for having kindly permitted him to take up this problem for his study.

Moreover the investigator acknowledges his deep indebtedness to his guide for all the valuable assistance, suggestions and encouragements that have been mainly responsible for the successful accomplishment of this research work and above all his sterling efforts in moulding him into a self-reliant researcher.

It is the investigator's pleasant duty to express his sincere thanks to all the teaching staff of the Department of Post-Graduate Studies in Education Karnatak University Dharwad, who have helped and guided properly in his research work. Hence his gratefulness goes to all of them namely Dr. H. M. Kasinath, Dean, Dr. Ganihar Noorjehan N, Professor, Dr. H. M. Shailaja, Reader, Dr. R. R. Madankar, Senior Lecturer and Dr. K. Dakshinamurti, Senior Lecturer.

The investigator wishes to thank from the bosom of his heart the librarians of Karnatak University Dharwad, the Department of Post-Graduate Studies in Education Karnatak University Dharwad, Dr. Babasaheb Ambedkar's University Aurangabad, the Central Library Dharwad, Mysore University Mysore, the Regional Institute of Education Mysore, Bangalore University Bangalore whose ungrudging help and co-operation proved invaluable in finding all the required materials for his study.
The investigator’s thanks are due to the authors and publishers of books and journals which he has made use of to supplement his study and to all those who helped him directly or indirectly in the undertaking.

The investigator acknowledges his gratitude to his son-in-law Dr. Pramod Betadur of Aurangabad for his sustained co-operation throughout the period of his research.

The investigator expresses his gratitude to Dr. U. S. Raikar, Professor, Department of Physics, Karnatak University, Dharwad and Dr. T. V. Kattimani, Dean, School of Languages, Linguistics and Indology and Head of the Department of Hindi, Moulana Azad National Urdu University, Hyderabad for the motivation and encouragement that he received from them to pursue Doctorate even in the evening of his life.

His thanks are due to Dr. I. I. Pattanshetti, Head of the Department of Physics, J.T. College, Gadag who has offered him valuable suggestions in the preparation of the manuscript.

The investigator fondly acknowledges the encouragement and support provided by the Members of his Family.

Finally the investigator is thankful to Sunil Graphics, Gadag-Betageri for bringing out this thesis neatly and elegantly.
