ACKNOWLEDGEMENT

I am deeply indebted to Dr. S.G. MATHAD for his invaluable guidance, unstinted support and forbearance of my demand on his time, throughout the course of this study. It has been my proud privilege to work under his inspiring supervision.

I owe a great deal of gratitude to Dr. M. DAVID, Co-ordinator, Industrial Fish and Fisheries, Department of Zoology, Karnataka Science College, Dharwad. His critical appraisal, assessment and invaluable suggestions have enabled me to successfully accomplish the present pursuit.

I wish to extend my sincere thanks to the Head, Department of Zoology and Co-ordinator, Industrial Fish and Fisheries section, Department of Zoology, Karnataka Science College, Dharwad for providing the necessary facilities to carry out my research work.

I acknowledge with thanks Dr. S. LINGARAJU, Associate Professor, (Plant Pathology) University of Agricultural Science, Dharwad for helping in photographic work.

I owe my special thanks to Dr. H.S. PATIL, Retd. Professor, Post Graduate Department of Zoology, Karnataka University, Dharwad.

I sincerely thank DR. S.G. PATIL, Professor and Head, Environmental and Pollution, U.A.S. Dharwad, and also I sincerely acknowledge B.S. BASAVAKUMAR, Associate Professor in Fisheries, U.A.S. Dharwad.

I heartily thank MANOJ, PRAKASH, SHRINIVAS, SHIVAKUMAR & LINGARAJ, Research Scholars of Post Graduate Department of Botany, Karnataka University, Dharwad for their constant help in this regard.
I am extremely thankful to V.G. MATHAD, Retd. HOD of Botany and Dr. C.G. PATIL, Co-ordinator of Genetics, Department of Botany, Karnataka Science College, Dharwad for providing the instruments for my research work.

I would like to extend my sincere thanks to my colleagues SADANAND, SHIVAKUMAR, RAVI, BHARAT & S.S.HARIGE for their constant help and encouragement during my research work.

I would like to thank the non teaching staff of Zoology Department, Karnataka Science College (S.S.HOSAMANI, SMT.B.S. HIREMATH, NAZEER, SANTHOSH, CHETHAN & UDAY) for their constant help.

My deep sense of appreciation goes to my dearest friend SANDHYA for her unflinching moral support & inspiration in carrying out this work.

I am also grateful to my doddamma Smt. ANNAJURNA S for her love, affection towards me.

I run short of words to express namas to my parents, sisters SOUMYA, RASHMI, ROOPA & my brother PRASANNA, RAJU for their active support and constant encouragement, which was indeed a source of inspiration for this formidable task.

I thank M/S. RALLIS INDIA PVT. LTD., Agro-chemicals Division, Bangalore for the supply of the pyrethroid, Cypermethrin.

Finally I register my thanks to VINAY (Gandhi), VINU & RAJ of Shri Mahaganapati Computers, Dharwad for their keen interest shown in typing this research script.

M.P. Prashanth
