ACKNOWLEDGEMENTS

It was indeed my good fortune to have Dr. (Mrs.) Noorjuhan N. Ganihar, Reader, Department of Studies in Education, Karnatak University, Dharwad as my research guide. I am immensely indebted to her for her constant encouragement, valuable suggestions and inspiring and untiring guidance all through the completion of this work.

I owe a special debt of gratitude to Dr. (Mrs.) Shashikala S. Deshpande, Professor and Chairperson, Department of Studies in Education and Dean, Faculty of Education, Karnatak University, Dharwad for giving me this unique opportunity to carry out my research work.

Dr. P.S. Balasubramanian, Professor and Head (Rtd.), Department of Education, University of Madras, Chennai, deserves the fondest and heartfelt gratitudes for providing me the right perspective and the blueprint of this study. I express my feelings of profound thankfulness to him. But for his ablest direction, every step of the way, the present work would not have been possible.

My respectful gratitudes to Late Dr. D. Shivappa, for encouraging me to take up this research and for his constant help till his death may his soul rest in peace.
I thank Dr. D. Shivananda, Professor and Head (Rtd.), Department of Education, Bangalore University, Bangalore, for helping me in construction and standardisation of achievement test in mathematics.

My heartfelt gratefulness and admiration go to Heads, teachers and students of all the schools from where I have collected data for this investigation. I affectionately wish to acknowledge the timely assistance and cooperation I received from them.

My thanks are also due to management, principal and staff of Dr. Ambedkar College of Education, for providing me with an opportunity to take up this research study and their help at various stages of this study.

I am grateful to Mr. H.G. Srinivas for computerising the report.

My affectionate thanks are due to my parents, mother-in-law, sisters and brothers for their wholehearted endurance and moral support.

My husband deserves special thanks. He stood by me, giving me patient encouragement during the study.

Finally, I wish to put on record a deep sense of gratitude to all those who have helped me in one or the other way but for them this study would not have been a reality.
