ACKNOWLEDGEMENTS

I would like to express my deep respect, gratitude and heartfelt appreciation to my revered teacher and research supervisor Prof. N. M. Bujurke, INSA Senior Scientist, Department of Mathematics, Karnataka University, Dharwad, for his scholarly advice, many helpful ideas, valuable discussions, constant encouragement and meticulous care at different stages of my work. It would have been impossible to pursue research work and subsequent writing of this thesis without his help, support, inspiration and confidence.

A special debt of gratitude is owed to Prof. V. A. Hiremath, Chairman, Prof. S. S. Bhoosanurmath, Prof. H. B. Walikar, Prof. S. S. Benchalli and Dr. B. Basavanagoud, Department of Mathematics, Karnataka University, Dharwad for their encouragement during the tenure of my research work.

I am glad to express my thanks to Mr. Ramesh B. Kudenatti for assisting me in performing computation and useful discussion.

I owe a great deal of gratitude to Prof C. S. Salimath, Rtd Principal, B. K. College, Chikodi, for his expert advice, spontaneous cooperation, fruitful suggestions and constructive ideas during preparation of research articles.

I remember with great reverence the blessings of venerable Dr. Veerendra Heggade, Dharmadhikari of Shrikshestra Dharmasthala, and president, S.D.M.E Society, Ujire, without which I couldn’t have been what I am today.

I am grateful to Prof. N. Vajrakumar, vice president, Shri. Jinendra Prasad, Secretary, SDME, Society and Prof. Ajith Prasad, Principal J.S.S. College, Dharwad for their affection and encouragement shown to me undertake higher studies. I am also thankful to the members of the executive committee of the society for their whole hearted support in my academic pursuit.
I am grateful to our Principal Dr. H. V. Sudhaker Nayak and former Principals, S.D.M. College of Engg. & Tech. Dharwad for their encouragement and help. I am also thankful to our HOD Prof. S. G. Bhavi without his constant cooperation this work would not have been completed successfully. I thank all the colleagues of my Department and also all the staff Members of S.D.M. College of Engg. & Tech., Dharwad for their cooperation.

My research colleagues and friends have played a major role in inspiring me. I would like to thank Dr. N. B. Naduvinamani, Dr. H. P. Patil, Dr. V. S. Madalli, Dr. V. B. Awati, Dr. N. N. Katagi, Dr. S. S. Benchelli, Dr. D. P. Basti, Mr. K. B. Chavarreddi, Mr. A. P. Reddy, and Dr. G. Gurubasavaraj, Lr. Prabhau, Mr. Shashidhar. B. Kallur, Mr. Nagesh. Dhandargi, Mr. Anand B. G.

My special thanks to Prof. C. R. Karisiddappa, Dept. of Library and Information Science, for his help and encouragement.

It is with great pleasure to thank university authorities for providing Internet facility, Computing facility and library. My thanks are due to the Librarian and his staff, for providing necessary facilities.

I express my gratefulness to my Mother, Father, Mother-in-law, Father-in-law, Brothers & Sisters and my nephews for their love, sacrifice, phenomenal patience and constant cooperation during my research work.

My daughter Ruthvika. S. S has been a constant source of joy and inspiration. Last but not the least, my wife Mrs. Sharadha. S. S for her continuous patience and sacrifices during the entire period of this research work at each step, without her loving support and understanding, I would never have succeeded in completing this research work.

I thank all my friends, relatives and well-wishers for their support.

It is difficult to recall all individuals who helped me in one or the other way, I am thankful to all of them.

Siddu C. Shiralashetti
