ACKNOWLEDGEMENT

I am fortunate to have worked under the guidance of Dr. U. Gopalkrishna Bhat, Reader, P.G. Department of Marine Biology, Karwar. I have great pleasure in expressing my profound sense of gratitude and indebtedness to him for suggesting the problem, for inspiring guidance, constant encouragement and constructive criticism during the course of investigation.

I am very much thankful to Dr. (Mrs.) Kusuma Neelakantan, Chairman, Department of Marine Biology, for her everwilling help, discussions, suggestions and critically scrutinising the manuscript of the Thesis.

I am thankful to Late Dr. B. Neelakantan (Retd.) former Chairman of the Department of the Marine Biology, Karwar for his help and encouragement.

I gratefully acknowledge the financial support and a Teacher Fellowship for professional Development (FIP) given by the University Grants Commission, South Western Regional Office,
Bangalore, under the File No. F. FIP 99/SWRO/UGC/KAKA093 during the course of the research work.

I express my gratitude to Dr. V.N. Nayak, Reader and J. L. Rathod, Lecturer, Department of Marine Biology, Karwar for the useful suggestions and the help extended to me during the progress of this work.

My gratitude goes to Dr. U.G. Naik and Dr. D.C. Shetty, Department of Marine Biology for their assistance at various stages of this research work.

During the course of this research task, valuable help in the form of reprints and advice has been rendered by many renowned researchers from India and abroad. I am grateful to everyone of them.

I express my gratitude to my colleagues Dr. Ganapathy Bhat and Dr. P.I. Aralaguppi Department of Zoology, S.D.M. College, Honavar for their help in various aspects including field studies.

I would like to express my sincere thanks to the principal, S.D.M. College, Honavar for providing the laboratory facilities.
I take this opportunity to thank my friends and well wishers whose generous support has greatly helped me in achieving this target.

My thanks are due to Shivani Graphics, Honavar for neatly bringing out the Thesis. I owe my thanks to J.P.S. Habbu for drawing the figures.

My special appreciation goes to my husband Shri S.N. Nayak and my son for putting up with me and patiently bearing all the inconveniences during the days of difficulties and enthusiastically helping in my work.
