Acknowledgements

It was indeed a proud privilege to be a student of Dr. M. David, Department of Zoology, Karnataka University's, Karnataka Science College, Dharwad. It was a sheer pleasure and my good fortune to study under his guidance, who apart being a mentor was a source of constant encouragement throughout the study. His inexhaustible knowledge and unfailing support in his characteristic fashion have helped me in preparation this thesis from its infancy to the final stage. His ever encouraging attitude and valuable suggestion throughout the study were a source of inspiration and appreciation. My head bows in respect for his knowledge.

I extend my deep sense of gratitude to Dr. A.A. Hooli (HOD) and to my teachers Prof. K.B. Karale, Dr. (Smt) N.V. Biradar, Dr. (Smt) A.S. Bellad, Dr. (Smt) M.S. Nayak and Dr. C.B. Ganesh, Dept. of Zoology, Karnataka Science College, Dharwad for their inspiration and encouragement.

I profusely thank all the non-teaching staff Shri S.B. Reddar, Miss. Hosamani, Shri. Shanbag and Nazeer, Santosh, Veeresh, Nagappa, Mallikarjun and Basavaraj for their help and cooperation during my research work.

I am grateful to the Chairman and Professors, lecturers of P.G. Dept. of studies in Zoology, K.U.D. for giving me the opportunity to use the Image analyzer to carry out my Histopathological work.

I am thankful to the authorities of USIC (University’s Scientific Instrumentation Centre) Karnataka University, Dharwad for helping me to utilize HPLC, AAS and other instruments.
My sincere thanks are due to the generous support of my research colleagues, Dr. Sadanand, Dr. Shivakumar, Dr. Prashanth, and Mr. Basavaraj, Mr. Ravi, Smt. Vidya Nayak, Mr. Ramesh, Mr. Sameer, Mr. Vineet, Mr. Deshpande, Shri. Munaswamy and Shri. Krishnamurthy for their help and cooperation in various ways during the course of the present work.

I acknowledge with great respect, immense pleasure, and rare privilege of my gratitude to my parents and family for their source and force and continuous encouragement during the whole tenure of my academic and research work.

I run short of words to record my heartfelt thanks to my good friends Dr. Nakul, Srikanth, Prabhakar, Vijay, Aravind, Dr. Sunil More and Siddaling Swamy for their constant encouragement, unfailing help and good wishes.

I thank M/S. Rallis India Pvt. Ltd., Mumbai, and Mr. M. S. Mithyantha for the supply of the organophosphate, dimethoate and data sheet respectively.

I wish to express my thanks to Shri. Maha Ganapati Computers, Mr. Vinayak and Nagaraj Naik, Dharwad for timely and neat work in bringing out this thesis.

Shivakumar B. Haragi
