44. Sardar Patel was not only India’s first Home Minister and Deputy Prime Minister; he wielded enormous power within the Congress party and the government.
45. This broad characterization holds true when compared with the period 1969-74. The period between 1954-64, which saw the rise of Nehru and the Second Five Year Plan, saw a greater role of the state in the economy compared with the sub periods 1947-54 and 1964-8. This section will explain why this was the case.
