Acknowledgements

It is my great privilege to express gratitude to my research supervisor Dr. H. B. Manjunatha, Professor and Chairman, Department of Sericulture, Karnataka University, Dharwad for his keen and enthusiastic interest, guidance, valuable suggestions and for the personal warmth and generously that he has bestowed upon me.

I owe my profound thanks to Dr. H. S. Aparna, Reader, Department of Biotechnology, University of Mysore, Manasagangotri, Mysore for valuable suggestions throughout the course of investigation.

I am extremely thankful to the Karnataka University, Dharwad for granting financial support to carry out the present investigation.

I extend thanks to Staffs of the Department of Sericulture, in Belgaum, Dharwad and Uttar Kannada districts, Government of Karnataka, Mr. M. R. Itagi, Deputy Director, DCTC, Govt. of India, Rayapur, Dharwad for their suggestion and help in sufficing the information.

I am grateful to Prof. G. S. Bhat, Department of Physics, Karnataka University, Dharwad for his valuable suggestions during the study and help rendered for uploading the database into the Karnataka University Website.

I express my sincere thanks to Dr. V. L. Kallapur, Emeritus Professor, Department of Zoology, Karnataka University, Dharwad, Major Krishnamurthy G. V., HOD, Department of Zoology, JSS College, Dharwad.
I owe deep sense of gratitude to Dr. S. V. Kallapur, Dr. S. A. Joshi, Dr. S. R. Hosagoudar, and Shanmukh Kamble who helped and encouraged me throughout the study.

I take great pleasure in thanking my colleague Mr. Rajesh Kundapur for his help and co-operation in many ways.

My sincere thanks are due to Mr. Sanjeev Hullur, my friends Mr. Shridhar and Mr. Srinivas Patale, Mr. Manoj Chavan, Mr. Sachin Revankar, Mr. Gururaj Kurer, Mr. Arvind Korwar, Dr. S. B. Bashetti, and Dr. Dheeraj K.V. for readily rendering help in several ways.

I express profound thanks to non-teaching staff Mr. Shivaputra Madar, Mr. Ram Tibile, Mr. Eranna Shigli, Mr. Siddappa Halagi, and Mr. Santosh Rajgire, Department of Sericulture, Karnataka University, Dharwad for their kind help and encouragement throughout the study.

I am thankful to Mr. Vinay and Mr. Nagaraj, Mahaganapati computers, for bringing out the thesis in a better way.

I am grateful to my parents Mrs. Girija and Mr. Karveer Sambrani, brother Mr. Shrikant and his wife Mrs. Bhagya, my sister Mrs. Veena, brother-in-law Mr. Keshav and daughter-in-law Ranjita for their encouragement and blessings without them this work would have not been completed.

Last, but not least, I am extremely grateful to my wife Mrs. Manjula, for her moral support, encouragement, co-operation and patience throughout my endeavor which is invaluable.
