Acknowledgement

I wish to express my deep sense of gratitude to my guide Dr. U. Gopal Krishna Bhat, Reader, Department of Marine Biology, Karnatak University Post graduate Centre, Kodibag, Karwar for his valuable guidance, supervision and constant encouragement throughout the tenure of my research work and preparation of the thesis.

I would like to place on record my gratitude and indebtedness to late Professor Dr. B. Neelakanta, former Chairman, Department of Marine Biology, Karnatak University Post graduate Centre, Kodibag, Karwar for his valuable help and encouragement.

I am thankful to Dr. (Smt) Kusuma Neelakanta, Chairperson, Department of Marine Biology, Karnatak University Post graduate Centre, Kodibag Karwar for her valuable advice and constant encouragement during the period of this work.

I am deeply indebted to Dr. Dinesh Chandra Shetty, for his ever-willing help in the correction of draft thesis.

The help rendered by Dr. Ulhas G. Naik, Department of Marine Biology, Kodibag Karwar, is whole-heartedly acknowledged.

I express my gratitude to Dr. V.N. Nayak, Reader, and Shri J. L. Rathod, Lecturer, Department of Marine Biology, Karnatak University Post graduate Centre, Kodibag Karwar, for their ever-willing help rendered during this work.
The help rendered by Dr. S.L. Bhat and Dr. Sadhana Madival for their constant help and support is whole-heartedly acknowledged.

The cooperation extended by field collector Mr. Chandrakant, Field Assistants Mr. Pednekar, Mr. Sayeed and the fisherman Mr. Anas Dias in the collection of data is also highly acknowledged.

I am thankful to all my colleagues and staff at the Dept. of Marine Biology, Karnatak University, Postgraduate Centre, Kodibag, Karwar for their valuable help and support.

I would like to place on record my special gratitude to Late Dr. A.H. Parulekar, Emeritus Scientist, NIO, Goa, for his unstinted cooperation and valuable suggestion during the tenure of my work.

I avail of this opportunity to record my sincere thanks to Dr. Baban Ingole, Asst. Director, NIO, Goa, for his constructive criticism and co-operation during this work.

I am also grateful to Dr. Tapaswi, Documentation officer and his office team at NIO, Goa for helping me to avail the library facilities and attending to my constant queries.

Dr. Pathiratne Costa, Professor and Head, Dept. of Zoology, University of Kelaniya, Sri Lanka and Dr. Lazarus T., Senior Scientist from Central Marine Fisheries Research Institute, Calicut and various
renowned scientists both from India and abroad are gratefully acknowledged for their unforgettable help in form of advice and reprints of the papers provided.

Dr. Herman Hummel, Netherlands, Dr. C.K. Wong, Hong Kong Dr. Donald J. Reish, California were highly cooperative in responding to my reprint request.

I avail of this opportunity to place on record my sincere thanks to Dr. V.S. KaKati, senior scientist and Officer in charge, Regional Centre of CMFRI, Karwar for his valuable inputs.

Dr. K. Vinod, scientist, ICAR complex Barapani, Meghalaya is also gratefully acknowledged for his kind advice.

My most profound thanks go to Dr. Manoj R. Borkar, Reader and Founder Chairman, Biodiversity Research Cell, Department of Zoology, Carmel College for Women Goa, for his incessant encouragement, constructive criticism and moral support rendered, which saw me through this piece of work.

I owe my sincere thanks to Dr. Meenakshi Mallya, former Reader and Head, Dept of Zoology, Carmel College for Women, Goa, for her interest, encouragement and concern in my work.
I am very much thankful to Mrs. Molly Joseph, Head, Dept. of Zoology, Carmel College for Women, Goa for extending to me the facilities at the dept. to carry out the research without any obstacles.

I am highly indebted to Mrs. Mary Kutty Augustine, Head, Dept. of Botany, Carmel College for Women Goa, for her ever-willing help rendered to me during this work.

I will be failing in my duty if I do not recollect the help and moral support rendered by my uncle Mr. Vinayak Mahalsekar during the tenure of this study.

My mother deserves the greatest appreciation for braving it all alone in my absence and for putting up with my research commitments as and when I was with her.

I am very much grateful to my brother Mr. Krishna Komarpant, for his constant help and moral support during the tenure of my work.

I am also thankful to God for guiding my path with his grace.

Last but not least, I owe a lot to my extended family at Carmel College Sr. Superior M. Jacinth A.C., Sr. Principal Florence Mary A.C. and Vice Principal Sr. Emma Maria A.C. from whom I drew incessant inspiration and reassurance of my own capacities.

Neelam K Komarpant.
