ACKNOWLEDGMENTS

The long journey of my doctoral study has ended. It is with great delight that I acknowledge my debts to those who have contributed immensely to the success of the project. First and foremost, I am deeply grateful for the continuous support, insight and patience of my supervisor, Dr. Sukhdev Singh, Associate Professor & Head, Department of Physical Education (T), Guru Nanak Dev University, Amritsar who stood by me during the completion of this work. I would have been standing on the crossroads, had it not been the constant encouragement and mature understanding of my guide. Since his guidance was always persuasive rather than dictative, whatever faults that remain in the work are due to my discretion in choosing among numerous of his suggestion. My profound thanks go to Dr. Baljinder Singh Bal, Assistant Professor, Department of Physical Education, Guru Nanak Dev University, Amritsar without whose edification and assiduous efforts, I would not have known how to handle this herculean piece of work. I owe special thanks to, Dr. Amandeep Singh, Assistant Professor, Department of Physical Education, Guru Nanak Dev University, Amritsar for rendering all possible assistance to me at the appropriate moments. I must express my gratitude to Prof. Kanwaljeet Singh, Former, Director Sports & Head Department of Physical Education (AT) Guru Nanak Dev University, Amritsar for rendering all possible assistance to me for their input, morale support and friendliness. I am indebted to my friends Karunesh Kumar, Barinderpal Singh, Sukhbir Singh and Ranjit Singh for their tireless encouragement and detailed feedback on many draft chapters. Heartiest thanks and appreciation are extended to all players who served as subjects for this study and without whose help this study could not have been completed. I would also like to thank my family for the support they provided me through my entire life and in particular, I must acknowledge my father Surat Chander, and my mother Ms. Parvesh Rani, my Wife Vineet Thakur and my daughters Drishti and Knishtha, without whose love, encouragement and editing assistance, I would not have finished this thesis.
