ACKNOWLEDGEMENT

The author deeply expresses his wholehearted gratitude to his respectful guide and supervisor Dr. C. RAMACHANDRA RAJA, Associate Professor, Department of Physics, Government Arts College (Autonomous), Kumbakonam, India for his effective guidance, continuous encouragement, and who has had a profound influence to complete the research and thesis work. This thesis shall always bear testimony to my respect and gratitude towards my mentor.

The author expresses his sincere gratitude to Dr.J.Govindhadas, Principal, Government Arts College, Kumbakonam, India and extends his profound thanks to Dr.K.C.Srinivasan, Head of the Department of Physics, Government Arts College, Kumbakonam, India for providing this opportunity.

The author is deeply thankful to Dr.R.Jayavel, Director, Department of Nano Technology, Anna University, Chennai, India, Dr.R.Mohan Kumar, Professor, Presidency College, Chennai, India, Dr.N.Vijayan, Scientist, NPL, New Delhi, India, Dr.V.Manivannan, Addl. Director (CRD), PRIST University, Thanjavur, Prof.R.S.Sundararajan, Department of Physics, Govt. Arts College, Kumbakonam, India, Mr.B.Vijayabhaskaran, Assistant Professor of Physics, Anjalai Ammal-Mahalingam Engineering College, Kovilvenni, Tiruvarur, India and Dr.A.Antony Joseph, Assistant Professor of Physics, Annai Enggineering college, Kumbakonam, India for their valuable suggestions, fruitful discussions and immense help at various phases of the research.
The author records his immense gratitude to Dr. P. K. Das, Professor, IPC, IISc, Bangalore, India for providing the opportunity to do the NLO study. The author also gratefully acknowledges the valuable help extended by the authorities of SAIF, IIT, Chennai, India, ICP, CECRI, Karaikudi, India and ACIC, St. Joseph’s College, Tiruchirappalli, India to carry out the desired studies.

The author expresses his deep sense of gratitude to Dr. M. Arivazhagan, Assistant Professor of Physics, A.A. Government Arts College, Musiri, India, Dr. I. Vethapothakar, Assistant Professor of Physics, Anna University of Technology, Thiruchirappalli, Mr. M. Chittravel, Assistant Professor of Chemistry, T.R.P. Engg. College, Thiruchirappalli, India, Ms. D. Trixy Nimmy Priscilla, Lecturer, Department of Physics, Anjalai Ammal-Mahalingam Engineering College, Kovilvenni, Tiruvarur, India for their consistent support throughout this work.

The author is also thankful to Prof. M. Arulanandasamy Department of English, Anjalai Ammal-Mahalingam Engineering College, Kovilvenni, Tiruvarur and Dr. P. Arangamsamy, Head of the Department of English, periyar Maniammai University, Thanjavur for their careful revision and proof-reading of the text at every stage of its preparation.

The author extends his sincere thanks to all the teaching and non teaching staff members of the Department of Physics, Government Arts College, Kumbakonam for their continued support.
Lastly, and most importantly, the author wants to thank his parents, wife and sons without whom this work could not have been accomplished successfully. Their support, even at the cost of their personal comfort and needs, is worth the whole world. The author also thanks his entire extended family and friends for having provided a loving environment for him during the whole course of his research work.

The Author
