ACKNOWLEDGEMENTS

The words at my command are not adequate in spirit to convey the depth of my feelings of gratitude to my research supervisor Dr. K. M. Hosamani, Reader in Organic Chemistry, P.G. Department of Studies in Chemistry, Karnataka University, Dharwad, for his keen interest, constant encouragement and valuable guidance at all stages during the period of my research work,

I must admit my deep and sincere thanks to Prof. V.B. Mahale, Chairman and Prof. C.D. Daulatabad, Former Chairman, P.G. Department of Studies in Chemistry, Karnataka University, Dharwad, for providing me the necessary facilities to carry out my research work. I would like to say special word of thanks to Prof. G.S. Gadaginamath, Prof. (Smt) B.V. Badami, Dr. M.V. Kulkarni, Dr. I. M. Khazi and other teaching staff members for their encouragement.

My heartfelt thanks are due to Prof. B. Hemaraddi, Dr. Raibhagi of Department of Botany, J.S.S. College, Dharwad Dr. G. R. Hegde P. G. Department of Studies in Botany, V. K. Dharwad for the identification of plants and valuable suggestions during my research work.

I would like to place on record my special thanks to:

Padmashree Dr. D. Veerendra Heggade of Shri Darmashtal Kshethra for his blessings.

Prof. S.P. Hiremath, Former Vice-Chancellor, Kuvempu University, Shimoga, Prof. V. V. Badiger Former Registrar and Prof. G. S. Puranik, (Retired Professor) P.G. Department of Studies in Chemistry, Karnataka University, Dharwad, Prof. S.Y. Ambekar, (Retired Professor) P.G. Department of Studies in Chemistry, University of Mysore, Mysore.

Prof. N.Vajrakumar and Dr. S. N. Ashtaputre, Former Principals of J.S.S. College, Dharwad and other Staff of J.S.S. College, Dharwad.

Prof. T. M. Aminabhavi, Director, Center of Excellence in Polymer Science, P.G. Department of Studies in Chemistry, Karnataka University, Dharwad.

Mr. I. H. Kadlimatti and Mr. Syed Azzemuddin for recording IR and NMR spectra, Smt. R. V. Murgod for doing GLC and other staff members of USIC, K.V. Dharwad.

I admire the help given by Prof. H.Z. Ninneker, and my research colleagues of P.G. Department of Studies in Biochemistry Mr. Sunil More, Ms. Preeti N. T., Ms. Veena B. M., Ms. Anuradha G.B., Mr. Sundar P. M., Mr. Kiran K. M., Mr. Neelagund, Mr. Uday M. M., Mr. Ajay A. K. for doing the biological activity of my research samples.

I acknowledge the help and co-operation rendered by my research colleagues R.M. Sattigeri, Raviraj S.Pattanashetter, Andan S. Patil, Ms. Savita S. Gngihal, Raviraj Kulkarni, Ramesh S. Vadavi, Mahaveer D. Kurukuri, C.C. Hadimani, R. S. Baligar, Gururaj Neelagund, Raghu R.T. Mahesh, Rajesh

I owe my deep sense of gratitude and heartfelt thanks to my beloved parents Sri. Shivalingappa and Smt. Lalitamma, who laid the foundation of my academic pursuit right from my childhood. So, a whole bunch of gratitude is to my parents without their generous help, this path of research could not have been illuminated.

Literally words cannot depict the depth of my feelings to express my profound gratitude to my sister Mrs. Shobha whose sacrifice made this endeavor of mine a reality. I am also indebted to my brother-in-law Mr. Kumaraswami and to my relatives for their encouragement and support during my research.

DHARWAD
23-12-2002

(RAMESH H.S.)
