ACKNOWLEDGEMENTS

I am delighted to place on record the invaluable cooperation of certain individuals who supported me in completing this work.

I have reserved my special and most grateful thanks to my research supervisor, Dr. H. Niranajana Murthy, Reader, P.G. Department of Botany, Karnataka University, Dharwad for his invaluable guidance and encouragement which led me through the dark alleys and abysses to the brightened path. Words can't reveal my gratitude for the constant help and inspiration he bestowed on me during this study.

I take this opportunity to thank Professor R.R. Hegde, Chairman, P.G. Department of Botany, Karnataka University, Dharwad for providing research facilities.

I am sincerely thankful to Prof. C. K. Rudramuniyappa, Prof. G. Sivakumar Swamy and Prof. S.C. Hiremath, former Chairmen of the P. G. Department of Botany, for their encouragement during my research work.

I gratefully acknowledge the facilities and cooperation extended to me by the teaching and non-teaching staff.

Late Dr. H.G.V.G. Urs and Prof. G. R. Shivasurthy initiated my stint with tissue culture. I am extremely grateful to them for their moral support throughout my endeavour.

I am grateful to my senior lab mates Dr. A.N. Pyati, Dr. B.V. Ravishankar, Dr. H.G. Ashok Kumar, Dr. Suman R. Devarunath, Dr. L.V. Hiregoudar for their perseverance and help in many ways. My sincere thanks to my colleagues Ms. Jayasudha Bhat, Mr. Abdul Nayeem and Mr. N. Praveen for their help and cooperation.

I am deeply indebted to my father Mr. B.T. Prabhushankar and mother Mrs. Ambika Prabhushankar who stood by me always, without their love, encouragement and support, I would not have been able to complete this study.

I extend my deep sense of gratitude to my beloved sister Mrs. Rekha Prasad, brother-in-law Mr. S.R. Prasad and brother Mr. B. P. Dharmesh, who have been my
constant supporters, lifting me from occasional bouts of depression and led me to the brighter horizon of hope.

I acknowledge the help given by my research friends Dr. G.S. Mulgund, Dr. Rajkumar Redder, Dr. N. Grampurohit, Dr. K. Ramanarayan, Dr. Manoj Nagasampige, Dr. Harsha Hegde, Dr. Prakash Gouda, Dr. V. Srinivasulu, Mr. Prakash Hosmani, Mr. L.B. Kadam, Mr. S. H. Khazi, Mr. B. P. Kabbalgeri, Ms. Avitha, Ms. Jyothi, Ms. Geetha, Mr. Ravi Kulkarni and Mr. Anil Hegde.

I also express my gratitude to my hostel friends Dr. Aparna, Dr. V. M. Naik, Dr. Lavanya, Dr. Vani, Ms. Rashmi Shenoy, Ms. Vijayalakshmi, Ms. Chandrika, Ms. Sahana, Ms. Saraswathi, Ms. Rashmi, Ms. Sheetal, Mr. H.R. Channakkii and Mr. Suresh Ingalagi who made my hostel stay a memorable one by being there for me in special ways.

Some of my cherished memories would be the time I spent with my uncle and aunt, Mr. M.G. Nadkatti and Mrs. Bhagyavathi Nadkatti, brothers Siddling, Vishwanath and the whole of Nadkatti family. I owe them very much for their love and encouragement.

I am greatly indebted to Mr. S.M. Sheelvanthmath and Mrs. Vijayalakshmi Sheelvanthmath and their family for their affection and support.

I thank Mrs. Ratna Naik, Mrs. Shanta Naik and their family for their unconditional love.

I thank my friends Mr. K. Nagendra Prasad, Mrs. Rajeshwari Abhilash, Mrs. Shalini Ramesh, Ms. Rupali, and others for supporting me and giving me wonderful moments to treasure in my life.

The award of SRF by Indian Council of Agricultural Research, New Delhi, during this study is duly and thankfully acknowledged.

Last but not the least, I have drawn heavily from the fountain spring of the vast knowledge in the chosen field of my study, thanks to the myriad contributions made painstakingly by galaxy of workers. I am profusely indebted to all of them, as I have had the honour to cite their contribution in my work at appropriate places.

Hema B.P.
