ACKNOWLEDGEMENT

I take this opportunity with pride and pleasure to express my deep sense of gratitude to Prof. B.B. Kaliwal, Research Supervisor, Post-Graduate Department of Studies in Biotechnology and Microbiology, Karnatak University, Dharwad for valuable guidance, constructive criticism, encouragement and enlightening discussions during the course of research work.

I would like to express my deep sense of gratitude to Prof. R.D. Kanamadi, Chairman, Post-Graduate Department of Studies in Zoology, Karnatak University, Dharwad for his suggestions and encouragement.

I profoundly thank Dr. R. Rajashekhargouda Patil, Associate Professor, Department of Sericulture, University of Agricultural Sciences, Dharwad for providing the facilities during this investigation.

I convey my thanks to Dr. J.S. Patil, Deputy Director of Sericulture, Dharwad and his staff for providing adequate support.

I am thankful to all my research colleagues Dr. P.N. Baligar, Mr. R.L. Ksheersagar, Ms. Arundhati B., Ms. Swati C., who helped me in one or the other way during the course of the present research work.

I profoundly thank all my respected teachers and non-teaching staff of Post-Graduate Department of Studies in Zoology, Karnatak University, Dharwad for their help and co-operation rendered during my research work.

I express my deepest sense of gratitude to my parents, brothers, sisters for their continuous encouragement and co-operation throughout my research work.

I, sincerely thank Mr. Rajendra Pavate, Mahantesh Bindings for timely and neat service.

Dharwad
