ACKNOWLEDGEMENT

I am exceedingly indebted to my worthy Guide and Supervisor Dr. S. S. Hugar, Professor and Dean, Faculty of Commerce, Karnatak University, Dharwad, for his benign guidance, supporting attitude, constructive criticism, cheerful encouragement and sense of patience throughout the period of study. Inspite of his busy schedule, he always found ample time to guide me. No words will suffice to express how much I have gained by my association with him. I feel my self fortunate in having worked under his able guidance. I profusely thank this tireless scholar.

Helping the needy is a pleasure for Prof. A. G. Sunkad, Dept. of English M.G.V.C. Degree College, Muddebihal. I only know the value of his help extended to me in preparing this work. I am greatly indebted to him.

Further more, whatever, I have written or come to certain gathered conclusion is not only of my own creation, but, the collective wisdom of the officers of the Bank such as, Shri B. C. Danashetty Retd., General Manager, Bijapur, Shri K. S. Goudar, Manager, Muddebihal, Shri P. M. Madyaste, Bijapur, Shri R. M. Patil, Bijapur, Shri Suresh Patil, Bijapur, and other staff members, who, with all their sincerity, have helped me to dig out the problems. I am thankful to President, Vice President, Board of Directors, all the officers and staff members of the Bank for their help and encouragement, during the course of my study. Special thanks are due to Shri M. G. Patil, Managing Director of the Bank, who, inspite of his busy schedule, gave me the relevant information.

I am thankful to the Chairman, Principal and all the members of staff of my college including retired ones, who inspired and encouraged me in this research work.
I must not forget to express my profound gratitude to my parents Shri Madiwalappa Unnibhavi and Smt. Ningamma Unnibhavi, wife Smt. Puspa B. Unnibhavi, Brother-in-law Shri Rajashekhar Rampur, USA, and my brother Shri Ramesh Holdur, Engineer, for their good wishes and blessings in completion of this academic endeavour.

In preparing this research work, I have referred to several books, reports, articles, byelaws and service rules which have been acknowledged at appropriate places. My thanks are also due to my beloved student Shri Mallu Bidarkundi of the Karnataka Urban Co-operative Bank Muddebihal, for his constant enquiry and encouragement about the progress of this task.

I conclude by thanking Shri Jagadish G. Hiremath for Computer printing this manuscript.
