I take the privilege to express my deep sense of gratitude to all of them who had helped during the course of my research.

At first I would like to express my deep sense of gratitude and indebtedness to my research supervisor Dr. Robin Kumar Dutta, Reader and Head, Department of Chemical Sciences, Tezpur University, for constant supervision, intellectual and encouragement during the entire course of my research, without which it would not have been possible for me to reach this stage of writing the PhD Dissertation.

It is my pleasant duty to acknowledge the authority of Tezpur University and the Department of Chemical Sciences, for not only allowing me to undertake research but also support and cooperation at different stages.

I am grateful to Prof. N. S. Islam, Dean, Research and Development, Tezpur University, for valuable suggestions and support.

I extend my sincere gratitude to the Former Heads of the Department Prof. S. K. Dolui, (Former Dean, Science & Technology) and Prof. T. K. Maji for their help and cooperation.

I gratefully acknowledge Prof. Munindra Nath Bora, Department of Mathematical Sciences for developing a 'C' program used for computational works.

I would like to offer my sincere thanks to the faculty members of the Department of chemical Sciences, Dr. R. C. Deka, Dr. N. Karak, Dr. R. Bora, Dr. A. K. Phukan, Dr. A. J. Thakur and Dr. P. Puzari for their help and cooperation.

I am also grateful to the members of my doctoral committee for their help and advice during the course of my PhD research work.

My heartfelt thanks go to my colleague Dr. B. K. Saikia for his help in preparing the thesis and Mr. R. Bora, Mr. N. Dutta, Mr. S. Phukan, Mr. P. Nath and Mr. H. Gogoi for their support.
I am thankful to the Former Head Prof. B. K. Konwar and Technical Officer Mr. K. K. Hazarika of Department of Molecular Biology and Biotechnology for allowing me to carry out some experiments using a Kruss tensiometer.

I offer my sincere thanks to my research colleagues in the laboratory Dr. P. M. Saikia, Dr. Surashree Sarma, Suresh, Bornali and Sreemoyee for their help and active cooperation. My sincere thanks also go to Dr. Swapnalee Sarmah, Dr. S. S. Mahapatra, Dr. Pankaj Hazarika, Mr. Paritosh Mandal, Diganta and Sivaprasad for their cooperation.

I am grateful to Dr. Mira Dutta bideo, Narji and Tora for their support and co-operation.

Finally, I wish to offer my sincere thanks to Aroti, my wife, who is a constant source of inspiration and had to take all the troubles during my research. I also extend my sincere thanks to Mayurakshi, my daughter and all well wishers.
