Acknowledgement

It’s my privilege to express profound gratitude towards my research guide Dr. S.S. Pawar, Department of Biochemistry, for his invaluable and exquisite guidance throughout the course of these investigations. His inspiration, regular supervision, evaluation and critical suggestions enable me to tackle this work with full confidence.

It gives me immense pleasure to express my deepest sense of gratitude and indebtedness to Prof. Dr. Kashole M.S. for his inspiring guidance and stimulating discussions on the theme of research work and encouraged me to carry out the said task. On account of his generous help and careful guidance at every stage of this research work, the present thesis could take this shape. Indeed, words are quite inadequate to express my deep sense of gratitude towards him. His guidance and ever-encouraging constructive criticism, which not only helped me to carry out investigations but also to understand the real essence of research.

I thank Dr. M.B. Patil, Dr. B.S. Somvanshi and Dr. M.M. Javade, Department of Biochemistry, Dr. M. S. Shingare, Dr. V.G. Dongre Department of Chemistry, Dr. L. V. Gangawane, Dr. P. B. Papdiwal, Dr. Bharati Jadhav, A. S. Dhoble, Department of Botany for their co-operation and support during the course of this study.

I express my sincere thanks to Dr. Ashok Giri and Dr. Abhay Harsulkar, NCL, Pune and research colleagues, Pavan shhabda, Laxmikant
Kamble, Nana Choughule, Mohan Bhagwat, Rajesh Jak, Shailesh Kulkarni, Manohar Padul, Pravin khare and Vinod Borde for their co-operation.

I am also thankful to Mr. Shete, Mr. Narwade, Mr. Patole, Mr. Hekade, Mr. Akbar Khan, Mr. Jamal and Mr. Pawar for their kindly help during this course.

I had been helped by several scholars, friends and relatives from the academic community to complete the present study. I am also grateful to all them.

I am grateful to my parent-in-law and brothers for their patience and insistence during the course of present work. I should not miss this opportunity to express my heart-felt gratitude to my husband, Ravindra Jadhav for his encouragement, affection and moral strength.

I would fail in my duty if I do not thank my lovable daughters Priyanka and Bhakti, who very generously allowed me to give enough time to concentrate on the research work and without their patience, present work could never have been completed.
