ACKNOWLEDGEMENTS

First and above all, I thank God, the almighty for providing me this opportunity and granting me the capability to proceed successfully. It would not have been possible to write this doctoral thesis without the help and support of the kind people around me, to only some of whom it is possible to give particular mention here.

It is my proud privilege to express my sincere gratitude to my supervisors, Prof. Arun Nanda and Dr. Narasimhan B., for their supervision, advice, and guidance from the very early stage of this research as well as giving me extraordinary experiences throughout the work. Above all and the most needed, they provided me unflinching encouragement and support in various ways. Their truly scientist intuition has made them as a constant oasis of ideas and passions in pharmaceutical sciences, which exceptionally inspire and enrich my growth as a researcher and a scientist want to be. I am also indebted to Dr. (Mrs.) Sanju Nanda, Mr. Deepak Kaushik, Mr. Vineet Mittal, Mr. Sandeep Dalal and Dr. Vikas Hooda for their moral support and constant encouragement.

I wish to acknowledge Mr. Pradeep Kumar, Research scholar and Mr. Mahesh Kumar, Assistant Professor, Department of Pharmaceutical Sciences, MDU, Rohtak for their constant encouragement. I heartily thank to Mr. Rajbir for his constant support throughout my research. Also, I am thankful to all my colleagues and non teaching staff members for their timely support. I am also thankful to Prof. S.C. Arora and Mr. Jagbir, Assistant Professor, R.K.S.D. College of Pharmacy, Kaithal for their helping hands at the time of need.

I would also like to thank Neelam and Priyanka, PG research scholar for their help in the time of need. I am also thankful to Mr. Aakashdeep and Ms. Snehlata, Research scholars, for their help. My special thanks goes to Sh. Satbir Singh, Sh. Bijender Chauhan, Sh. Naresh Sharma, Sh. Ranbir Dalal, Mr. Parveen Kumar, Sh. Hemraj, Sh. Parande, Sh. Ombeer, Sh. Jaipal Phogat and Mr. Vinod Kumar for their unconditional support.

My family deserves special mention for their unflagging love, inseparable support and prayers. This dissertation is simply impossible without blessings of my father and mother. I am indebted to my father, for his directions, care and love. I can’t forget the encouragement and support from my respected elder sister, brother-in-law and their son Rjvanshu who have been a powerful source of inspiration and energy for me.

My special acknowledgement for my better half Sarita, naughty son Aryan Khatkar and cutest kid Ujwal Khatkar for their constant moral support and love throughout my research, their sacrifice for my research and definitely Aryan deserves the right to play on my laptop now.

Finally, I would like to thank everybody who was important to the successful realization of thesis, as well as expressing my apology that I could not mention personally one by one.
