LIST OF PUBLICATIONS

I. PUBLISHED

II. TO BE PUBLISHED

1. **Manjunath MJ** and Muralidhara. Neuroprotective efficacy of ferulic acid against 3-nitropropionic acid induced oxidative stress and neurotoxicity in mice.

2. **Manjunath MJ** and Muralidhara. Ferulic acid offsets Rotenone-induced oxidative impairments and neurotoxicity in vivo: Evidence in *Drosophila melanogaster* and its validation in mice.

III. PAPERS PRESENTED AT NATIONAL/ INTERNATIONAL SYMPOSIA

- **Manjunath M J.** Girish Chandran and Muralidhara. Neuroprotective efficacy of ferulic acid in drosophila melanogaster exposed to Acrylamide. SFRR-India, Jan 9-11\(^{th}\), 2011. Chennai.

- **Manjunath M J** and Muralidhara. Induction of Oxidative stress and cardio toxicity by 3-Nitropropionic acid (a fungal toxin) in adult mice. SFRR, Mar 19–21, 2009. Department of Biochemistry, C.S.M Medical University, Lucknow, India.
