ACKNOWLEDGMENTS

Inevitability has compelled me to resort to this mode of acknowledging the help rendered to me in the completion of my research work. Words seem hopelessly inadequate and limitation of my diction stands quite prominent in the context of magnitude of feelings. Notwithstanding, my best effort to put them in black and white, I in all probability, would be failing to give the right expression to my heartfelt feelings.

I wonder in what words should I express my gratitude to my Guide / Supervisor Dr. Jamaluddin, M.Sc., Ph.D., F.P.S.I., FISST., FNASC., Scientist ‘SG’ and Head, Forest Pathology Division, TFRI, Jabalpur (M.P.). The timely guidance, motivation, urge, zeal, feeling in me, by my Guide, lending an air of self-assurance in each phase of my thesis work stands out with clear distinction.

I express my sincere thanks to Shri P.K. Shukla, IFS, Director, TFRI, Jabalpur and Shri P.K. Choudhary, IFS, Group Coordinator Research, TFRI, Jabalpur for providing necessary facilities during my research work. The financial assistance in the form of Junior Research and Senior Research Fellowship received from Indian Council of Forestry Research & Education during the research work is duly acknowledged.

I avail this opportunity to express my warm regards and sincere thanks to Dr. V. Nath, Scientist ‘SF’, Forest Pathology Division, T.F.R.I., Jabalpur and Dr. N.S.K. Harsh Scientist ‘SE’ FRI Dehara Dun for their timely advice and constructive criticism during my research work, which proved to be of immense help. My heartfelt thanks are also due to Dr. R.K. Verma, Scientist ‘SD’, Dr. K.K. Soni, Scientist ‘SD’ and Dr. Y. Gratitude in an ugly work in friendship, help is an inseparable part of it. I am surrounded by my friends. I have come to rely on Shri B.M.Ojha, Mrs, Mamta Ojha, Shri Rajesh Kumar Gupta, Mrs. Kavita Gupta, Shri Manoj Kashyap, Mrs. Shaiini Kashyap, Shri Vinod Soni, Shri Brajesh Pandey, Dr. D.L. Nandeshwar, Sharad Nema, Shri Kuldeep Sengar, Shri Tribhuven Singh, Shri M. Soni, Shri Manoj Thawait, Shri Ranjeet Barik, Miss Shradha Singh, Miss Nirmrita Sharma, Miss Niiima Sharma, Miss Bhawana Sharma, Miss Samidha Pandey, Miss Anamika Shukla and Seema Saggar for their friendship and moral support during this study.

Love, encouragement and enthusiasm are the fabric stories of intellectual foundation. This is the point, which I have inoculated with the blessings of my beloved father Dr. K.G.Goswami and mother Smt. Kesnar Goswami. An enigma results, wherever I project my memory to consult my intellect upon some words to express my gratitude towards them and I successfully fail to transform their inoculate entities of deeds into a mere frame code of language. I bow my mind, body and spirit to be shattered by the warmest, glorified, golden rays of my beloved parents. I am thankful and indebted forever my Naniji, my sister Prabha Goswami, brother -in- law Shri Yogesh Puri, elder brother Shri Rakesh Goswami and Bhabhiji Smt. Sunayana Goswami for their encouragement, well wishes and help in various ways. I am also pleased to thanks my dearer and nearer Vishu, Dimpy and Master Priya.
