ACKNOWLEDGEMENT

It is indeed my proud privilege to express my deep sense of gratitude and indebtedness to my revered guide Dr. Sharada A.C, Head of the Department, Department of Biochemistry, Yuvaraja’s College, Mysore for her immense help, cooperation, moral support, and valuable guidance that she has extended to me for the successful completion of my thesis.

I owe my sincere thanks to Anthropological Survey of India, Head Office, Kolkata for providing me fellowship and all financial assistance for my project.

Words in fact, are inadequate to express my heartfelt gratitude and my sincere thanks to my cherished adviser Dr. D. Xaviour, Dr. Jayashankar Rao, Dr.Chandrashekhar, Dr. Yaseen Saheb and Mr. Ravi Prasad from Anthropological Survey of India, Southern Regional Centre, Mysore for their constructive criticism, scholarly inspiration, constant encouragement, valuable help and incessant support throughout the research period.

I wish to thank Mr. D.N Pandey and Dr. B.N Sarkar, Anthropological Survey of India, Kolkata for their support, assistance in all the official procedure and for speeding up the process whenever required.

I express my sincere thanks to Prof. Cletus J.M. D’ Souza, Prof. B.S. Vishwanath, Dr. K. Kemparaju, Dr.Gopal M, and Dr. Girish faculty of this department for their constant support and encouragement.

I wish to thank for Kodava Samaj, Kodava area associations and Kodagu Ladies club, Mysore and Kutta Kodava Samaj for their support in conducting health camps in Mysore.
I am extremely grateful to Dr. Thelma B.K, Professor, Department of Genetics, University of Delhi and Mrs. Suman for their guidance and valuable suggestions especially in the Genetics and PLINK assay.

I express my special thanks to my Seniors Dr. Venugopal, Dr. Mohammaed Salman, Mrs. Shruti Dasgupta, Mr. Abrar Alam and colleagues Ms. Lakshmi G.L, Ms. Niharika Shetty, Mr. Charles Slyvester and Ms. Chinthana for their help and encouragement.

I wish to express my sincere thanks to all my study subjects for their active participation in health camps.

I am thankful to Mrs. Suman Ravindra, Mrs. Mary Alfanso, Mr. Biswas for their co-operation during my stay in the Anthropological Survey of India.

I also express my thanks to Mr. Anil from Transasia and Mr. Ravichandra, Immulite for their timely advice, guidance during the running of instrument.

I would like to express my heartfelt thanks to my parents for their constant support, advice and encouragement. I wish to express my heartfelt thanks to my husband Mr. Sujai Mandanna for his constant help in each and every step, incessant support and encouragement. I am grateful to my parents-in-law for their help and encouragement.

(Mrs. Deepti Lokanath A)
