ACKNOWLEDGEMENT

I would like to express my indebted gratitude to Prof.(Dr.) Malay Dutta, Department of Computer Science & Engineering, Tezpur University, Assam, India for his constant cooperation, guidance and suggestions during the work. His scholarly support and constant encouragement have been of great source in completion of my work.

I would like to extend my indebtedness and deepest gratitude to my other supervisor, Prof. Shyam S. Pattnaik, Head, Educational Television Centre, National Institute of Technical Teachers' Training and Research, Chandigarh for motivating me to pursue research in this area and for his profound suggestion followed by skillful guidance throughout the progress of the work. Without his constant cooperation, guidance, advice, and inspiration the work would not have been accomplished. I must be obliged to Prof. Shyam S. Pattnaik for the love he showered on me during the course of work.

I will remain indebted to Dr. Swapna Devi for her moral support, cooperation and encouragement. I am also grateful to Dr. Dhruba C. Panda and Dr. Dipak K. Neog for their assistance throughout the work.
I am also thankful to Mr. K. M. Bakwad, Mr. Mohon Lohokare and Mr. Jayant Joshi for their support and coordination during my stay at NITTTR, Chandigarh.

I am sincerely thankful to all the members of the Department Research Committee(DRC), Computer Science & Engineering Department, Tezpur University for their valuable comments and suggestions. I am specially thankful to Prof.(Dr.) Dhruba Bhattacharya for his support and cooperation.

My gratitude also goes to my parents who had to sacrifice my service at needs and all my family members and well wishers who are concerned for my success and well being.
