ACKNOWLEDGEMENT

ALHAMDULLAH. all praises to Allah for the strengths and His showers of blessings throughout my research work to complete the research successfully without His graces and blessings this study would not have been possible

Immeasurable appreciation and deepest gratitude for the help and support are extended to the following persons who in one way or another have contributed in making my study possible.

First of all, I am extremely grateful to my Research guide Dr. K. VIJAY KUMAR Professor and Chairman, Department of Zoology, Gulbarga University, Kalaburagi, for his valuable guidance, scholarly inputs, consistent encouragement and advice he has provided throughout my time as his student. This feat was possible only because of the unconditional support provided to me. A person with an amicable and positive disposition, he has always made himself available to clarify my doubts despite his busy schedules and I consider it as a great opportunity to do my Ph.D. under his guidance and to learn from his research expertise. I have been extremely lucky to have a supervisor who cared so much about my work, and who responded to my questions and queries so promptly.

My special regards to my teachers because of whose teaching at different stages of education has made it possible for me to see this day. Because of their kindness I feel, was able to reach a stage where I could write this thesis.

I am thankful to Prof. Ravindra Paul (Retd), Prof. R.S. Kulkarni (Retd), Prof. B.N. Joshi (Retd), Dr. Murali Jadesh. V and also non- teaching staff for their cooperation and encouragement.
I am extremely thankful to Dr. M. Rajashekar, for his keen interest at every stage of my research. His prompt inspiration, timely suggestions with kindness, enthusiasm, encouragement and dynamism has enabled me to complete my thesis.

I record with great pleasure my gratitude to Dr. Zeba Parveen, Bi Bi Raza Degree College, Kalaburagi for her care, moral support and encouragement during study period.

I am indebted to computer-aided Image Analysis Unit in USIC, Gulbarga University, Kalaburgi for generating Microphotography.

I am grateful to the authorities of Department for the use of the facilities created by the DST-FIST programme.

I am also thankful to Gulbarga University for proving me financial support under ‘Merit studentship’ during my research work.

I am thankful to library staff and administrative staff for cooperation.

I would express a deep sense of gratitude to my dearest darling mom Naseem Hussaini who has always stood by me like a pillar in times of need and to whom I owe my life for her constant love, encouragement, moral support and blessings.

I owe a lot of gratitude to my beloved brothers and sisters who always strengthened my morale by standing by me in all situations.

I owe my deepest gratitude towards my better half for his eternal support and understanding of my goals and aspirations. His infallible love and support has always been my strength. His patience and sacrifice will remain my inspiration throughout my life. Without his help, I would not have been able to complete much of what I have done. It would be ungrateful on my part if I thank my beloved husband Mr. Mohammad Abdullah in these few words. I am thankful to my son Mohammed Abubakar Aariz for giving me happiness during the last one year of my studies.
I express my deep sense of appreciation and gratitude to my Father in law Mr. Mohammed Amjad Ali, Mother in law Qamar sultana, and last but not the least my beloved Brother in law Mohammed Talha and Sister in law Farheen Zainab for their encouragement, moral support and for being a constant source of motivation in completing my thesis.

I owe a lot of gratitude to my relation for their inspiration, cooperation and moral support during my work.

I express my sincere thanks to Mrs. Anitha Vijaykumar for her care, encouragement and cooperation during my research work.

Finally, a special thanks to my friends and research colleagues, Mrs. Anusha Madgi, Mrs S.K. Tanveer, Reshma P, Mr. Ashok P, Mrs. Safiya Tazeen, Ms. Sulochana A, Ms Nandini B and Mr. sharanappa Padashetty for their timely suggestion, moral support and co-operation during my work. Their timely help and friendship shall always be remembered.

The list of person who helped me directly or indirectly to complete the work is exhaustive and it would not be possible to mention each and every name here. I owe my sincere thanks to all those who encouraged me and helped me directly and indirectly during my research work and hope they will forgive me for not mentioning their names individually.

(Mrs. SYEDA QASEEM FATIMA)
