It is my great pleasure and privilege to acknowledge my sincere thanks to my esteemed supervisor, Dr. P. Gursumeeran Satsangi, Assistant Professor, Department of Chemistry, Savitribai Phule Pune University, Pune for her patient guidance, constant encouragement and luminous advice throughout my research work. Despite her preoccupation in other academic and administrative ventures, she spared her time and gave sagacious advice from time to time during entire research work. Her directions equipped me with academic skills and helped me to achieve this research. I owe her all that has been accomplished.

I wish to express my heartiest thank to Prof. N.S. Rajurkar Head, Department of Chemistry, SP PU, and Prof. D.D.
