**ACKNOWLEDGEMENTS**

I like to praise the God, the author of wisdom, knowledge and understanding for giving me the privilege to undertake the Ph.D Programme. He saw me through the research by bringing me unusual help, to him alone in the Almighty’s name, Amen. At the times our own light goes out and is rekindled by a spark from another person. Each of us has cause to think with deep gratitude of those who have lighted the flame within us. It gives me immense pleasure to thank everyone, on the way to the success.

Firstly my deep sense of gratitude goes to my Research Supervisor, Dr.T.Vijaya, Associate Professor for her invaluable support provided for me with the confidence and endurance to fulfill my dream. Madam your wisdom and genuine caring throughout this entire pursuit will always be remembered. Your passion and persistence have been the driving force that has kept me going. Your inexhaustible support and incredible drive to teach and enlighten the student is truly a gift. Thank you for always believing me in times when I didn’t believe in myself.

I extend my special thank to Prof.D.C.Reddy, Head, Department of Biotechnology and Prof. P.Sreenivasula Reddy, Chairman, Board of Studies, Department of Biotechnology for providing me enthusiastic help, valuable suggestions, critical evaluations, infrastructural facilities and constant encouragement throughout my work.

I wish to thank Prof.Dr.S.Dattatrya Rao, S.V.Ayurvedic College for his motivation and prompt assistance and constructive criticism during my programme and also for his positive influence on my life.

I express my special thanks to Dr.K.V.Saritha, Assistant Professor, Department of Biotechnology for her good wishes, moral support and to instill confidence was more than appreciated.

Thank you my friends V.Seshadri Reddy, V.Mohan Reddy and B.Madhu Babu for your unconditional love, support in all means, unrelenting patience, for being there to catch me when I fell, for picking me back up and dusting me off and for inestimable investments in my life. You are my best friends. I really love u all.

Additional energy and vitality for this research was the opportunity to meet many good friends. I cherish the camaraderie of my fellow research scholars of my Lab, my Department and other

I wish to acknowledge and express my sincere thanks to Non-Teaching Staff, Department of Biotechnology for their help.

I am grateful to my beloved brother Dr Anil Kumar for his constant support and also rendering me the sense and the value of brotherhood.

Dedicated to My Grand Pa's (Late Sri Kadiappa and Venkatarayappa) and My Parents (K Chenna Kesavulu and K Anu Radha), whose unconditional love and strength, and eternal belief in me have provided me with the confirmation, and determination to pursue my dreams. You have instilled in me the endurance to see life's opportunities, and the perseverance to reach what, at times, appeared to be unattainable goals.

The episode of acknowledgements would not be complete without the mention of the University Grants Commission (UGC) New Delhi for awarding the National Merit Research Fellowship (RGNFS).

Chandramouli K
