ACKNOWLEDGEMENT

At the onset I gratify Almighty Allah for blessing me with the hidden power to complete the present task. And I am deeply appreciative for all those who were a part of this challenging and exciting journey, directly and indirectly. I acknowledge the presence of the Almighty whom I trust and repose my faith in for his blessings, direction and guidance.

Allah said (Then do ye remember Me: I will remember You. Be grateful to Me And reject not Faith),{Al-Baqarah:152}

The Prophet (ﷺ) said: He who does not thank the people is not thankful to Allah.

I hereby take this opportunity to express my profound thanks and deep sense of gratitude towards my guide, Dr. Naveed-US- Sahar, for her invaluable guidance, careful assistance, encouragement and unfailing support throughout my research. Her motivation and support has given me a road map and helped me to overcome the challenges in this research.

I express my deep sense of gratitude to Dr.Shaikh Haroon,Associate Professor Govt College of Education Aurangabad whose constructive suggestions added to the enrichment of the research.

I must also thank Mrs.Talal Naseer, Mrs Khan Waheeda Haroon for their emotional support.

My thanks are very much due to the administrative staff especially Mr.I.R. Manza Deputy Registrar Special Cell for all the official administrative extra support that he has given me, I thank him with deep gratitude.
I also thankful to Dr. Sahera Nasreen professor Govt Institute of science, Aurangabad for her cooperation, support and timely help.

I am very much thankful to Prof (Ms.) Sadhana P.Pande, Director Foreign Students Cell, for her cooperation and help.

I Express my profound thanks to my family for their Continuous source of inspiration motivation and a strong support in completing the project work, especially my (Mother: Saud Gashoah, Father: Abullah Gashoah, Mother in-law: Rafiya Begum, Father in-law: Sadiq Ali, my husband: Mohammed Iftequar Ali, Brother: Mohammed Gashoah, and his wife: Sabah Alatmi ,Sister: Taquiya Gashoah, and all other family members.

I express my heartfelt gratitude to Mr. Adnan Mata whose support, cooperation, and motivation helped me to take up the study and do the research.

I am deeply indebted to Dr. Dawood Al Haddabi, Professor, university Sana’a, who has enlightened my research journey with his selflessly help at different stages.

I am highly indebted to Principal Najib Atiyah, vice principle Miss Mona Atiyah and Safaa Hamid, Eshraaq Aljaboubi (science teachers std VIII) also other staff and students of Al-Khadeem Al-Wajeeh public school in Hajja City of Yemen.

My heart-felt thanks are very much to University Hajjah president, and all my colleagues at university Hajjah, for their cooperation, help and moral support extended to me.

Words fail to express my heartfelt gratitude to Dr. Kirtimalini V.Jawale, Mrs: Aasha Iagannath Aucharmal, Diksha Ramteke, Surraya Begum, Lakshmi, Rani, Nanda Korde, and all BAMU hostel friends who were a constant source of encouragement and inspiration to me.
My special thanks to Dr. Ali Alqudami, Mrs. Bahera AL Jader, Mr. Hussein Rajhy, Mr. Mohammed al-Shaibani and Mr. Ahmed al-Jabri, Mustafa Al Taj, to help me at various phases of this work.

I am deeply indebted to my cousin Mr. Abdullah Ahmed, his wife, and my friend Meraj, for their valuable help extended to me for the study.

Lastly, I wish to acknowledge the contribution of those whose names have not been mentioned but who have, nevertheless, played their part in making this research work successful.

Date:
Aurangabad.
