ACKNOWLEDGEMENT

It is my pleasure to record grateful thanks to the helping hands and brains which navigated my research towards its destination.

Firstly I would like to express my deep gratitude towards my guide Dr. Mrs. S. M. Mohal, former Librarian of Dr. Babasaheb Ambedkar Marathwada University. She has done a yeoman’s service while guiding me and inculcated in me novel perspectives about my research topic and made me aware of innovations in my area. Also I am most grateful to Shri V. N. Deo, Former Assistant Librarian of the University for his invaluable guidance for the project.

I sincerely acknowledge to the backing of Saraswati Bhuwan Education Society, Dr. S. V. Birajdar the Principal and Dr. S. B. Advant, former Principal of S. B. Science College for encouraging me.

My research would have been an impossible endeavour without the stimulus of my well wishers. Dr. Mrs. A. A. Vaishnav, the Head Department of Library and Information Science, Dr. Mrs. Shakuntala Lomte, Librarian Dr. Babasaheb Ambedkar Marathwada University, Shri D.B. Jadhav, Dr. Brhamanand Deshpande, Dr. Mrs. J. B. Deshpande, Dr. J. B. Bhartiya, Dr. N. B. Aghav, Shri. B.P. Lahane, Shri. S. A. Holambe played a fabulous role to boost me.

In my data analysis, Savita Mhaske, Sunil Mutakule, Jyoti Chavan, Bhausaheb Dahiwale, Suhas Ambekar, A. S. Kale, Pranav Bardapurkar, Pravin Kharat and others played a fundamental role. I thank them for the handling of a herculean task.

All research activities are based on the best library support. I thank the library staff of Dr. Babasaheb Ambedkar Marathwada University, S. B. Arts and Commerce College and S. B. Science
College. My colleagues played an important role in my research and maintained a great tolerance by supporting hand.

My husband Dr. T. R. Patil played a phenomenal role during my research. I do not want to complete my formality by thanking him for his ‘Pole-star’ job and great patience.

The contribution of my mother, Smt. Bhagirthibai and younger sister Mrs Surekha is incredible in my research, who shouldered my household responsibilities and relieved me. My loving daughter Arundhati and son Digvijay are also praised for their tolerance.

Last but not the least is my computer system which accelerated my research. I show appreciation for it.

(Mrs. Dalve Daya B.)
