ACKNOWLEDGEMENTS

Foremost, I would like to express my sincere gratitude to my esteemed supervisor Dr. Narender Singh, Associate professor, Department of Botany, Kurukshetra University, Kurukshetra for his valuable guidance, enthusiasm, assiduous supervision, incessant encouragement and promoting care in all the time of research and writing of this thesis. I could not have imagined having a better advisor for my Ph.D study. His willingness to give his time so generously has been very much appreciated.

I am also thankful to the Chairman, Dr. B. D. Vashistha, Department of Botany, Kurukshetra University, Kurukshetra for providing me all laboratory facilities and help regarding the research work.

It gives me immense pleasure to record my sincere gratitude towards Prof. D. Mukherji, Prof. Sharda Rani Gupta, Prof. N. K. Matta, Prof. A. Aggarwal, Dr. C.B. Singh and Dr. N. Sood for their valuable suggestions and appraisal of the manuscript.

I owe my thanks to our revered and erudite Technical staff members of our Department for their friendly helping hand at various stages of my research work.

I take this opportunity to sincerely acknowledge the Kurukshetra University, Kurukshetra for providing financial assistance in the form of University Research Fellowship which buttressed me to perform my work comfortably.

Distinctive words of thanks are due to Mr. Jagdish Chandra, Conservator Forest, Govt. of Haryana and staff members of Haryana Forest Department for their kind cooperation.

I gratefully acknowledge Dr. Seema, Dr Sunil Kumar, Miss. Mansee, Mr. Hemant, and Mr. Ravi for their understanding, encouragement and timely help.

I am indebted to my many student colleagues Shivani, Karishma, Ekta, Mandeep, Ravinder, Kuldeep, Shruti, Nisha, Preetrachna, Asha, Pooja, Chhavi, Anju, Alpa, Laxmi, Neetu for providing a stimulating and fun filled environment.

My special appreciation goes to my best friends, Kiran, Ritu, Kshma for their love, care and moral support.

Words would fail to express my heartfelt sentiments for the love, blessings, care and encouragement I received from my Didi (Vinay), Jija Ji (Ramkarun), who has been a tremendous source of inspiration and motivation for me in my academic pursuits always.

The magical and sweet smile of my Nephew's (Ujjwal, Prince, Mayank and Divyansh) and Niece (Gungun and Navya) always refreshed my mind during the period of boredom and dejection.
This acknowledgement would be meaningless if I do not remember my parents to whom I Owe My Identity, I have achieved so far, including the present work. It is a pleasant privilege for me to express my deep sense of gratitude and indebtedness to my respected, and adorable Father (Sh. Roshan Lal) and Mother (Smt. Shakuntla) for giving birth to me at the first place and supporting me spiritually throughout my life. Their blessings have kept me in high spirits throughout.

Finally, I pay my gratitude to Almighty for giving me strength and blessing.

At the end of my thesis, it is a pleasant task to express my thanks to all those who contributed in many ways to the success of this study and made it an unforgettable experience for me.
