List of Figures                                      ix
Abbreviations                                       x

Chapter One - Introduction                           1-29
  1.1 Libraries in Education                          1-3
  1.2 Problems of Higher education                   3-5
  1.3 Functions of a University                      6-8
  1.4 Objectives and Functions of a University Library 8-15
  1.5 Importance of finance                          15-20
  1.6 Objectives of the Study                        20
  1.7 Hypotheses                                     21
  1.8 Methodology                                    21-23
  1.91 Scope of the Study                            24
  1.92 Organisation of the study                     24-25

Chapter Two - Survey of Related Literature          30-59
  2.0 Introduction                                   30
  2.1 Commission Reports                             30-38
  2.2 Seminars and Conferences                       38-42
  2.3 Post-graduate and Doctoral studies             42-46
  2.4 Other studies                                  46-49
  2.5 Conclusion                                     49
