Acknowledgements

It is really difficult to express a deep sense of gratitude adequately by using words only. However, I wish to express my sincere gratitude to my esteemed, learned and illuminating supervisor, Dr. Malkit Kaur, Professor, Department of Sociology and Social Anthropology, Punjabi University, Patiala, for her valuable guidance and constant encouragement.

Words do not suffice to express finically, my profound indebtedness and deep sense of gratitude to my reverend co-supervisor, Professor (Retd.) G.S. Bhatnagar, my teacher and my mentor, who kept on encouraging and inspiring me throughout the work. His depth of perception and vast experience in the area of my study helped to boost my morale on many occasions. Working under his masterly guidance has been a boon rather than a privilege.

It is my profound privilege to record my deep sense of gratitude to Dr. R.K. Choudhary, Professor & Head, Department of Sociology & Social Anthropology and other faculty members who were always helpful to me during my research work. I am also grateful to Dr. M.S. Randhawa and Dr. Madhurima who helped me in the initial stages of this research work.

I wish to acknowledge University Grants Commission for providing me financial assistance to complete this project and Dr. D.I.S. Brar, Principal, Government Mohindra College, Patiala, and my colleagues in the college for their generous help in completing this work.

I am deeply indebted to my beloved husband Er Varinder Pal Singh Gill for his co-operation and my two sweet kids Sarang and Rhythm from whose childhood I borrowed time to pursue research. My special thanks are due to my dear father who granted me assistance, in all respects.

I am also thankful to Dr. Inderjit Singh for his help in statistical analysis and Mr Gajrani for typing the thesis with great care, skill and dexterity.

Last but not the least I acknowledge the co-operation of my respondents and other persons in the field area.
