ACKNOWLEDGEMENT

I am grateful to Dr. S. K. Pandey, Professor & Head School of Studies in Geology & WRM for providing necessary facilities during the research work.

I express my deep sense of gratitude to my guide Dr. D. P. Kuity, Professor (Retd.) S.O.S. in Geology & WRM, Pt. Ravishankar Shukla University Raipur, C.G. for his guidance, inspiration and encouragement. I am grateful to Professor M. W. Y. Khan, Dr. N. Bodhankar, and Dr. K. R. Hari for their helpful suggestions.

I am very delighted to record the deep sense of obligation to respected Dr. S. K. Saksena, Secretary, Geological Research Centre Balaghat, M.P. for his critical evaluation of works, extending all the necessary facilities, navigation and helpful suggestions at many stages of the present work, without his kind guidance the work would not have found its present shape.

I extent my helpful thanks to Dr. Anita Yadav, Jr. Scientist C.G. Environmental Pollution Control Board, Tatibandh, Raipur, C.G. for her guidance and help provided in chemical analysis of water samples.

I am grateful to the senior geohydrologist Tubewells Department, Balaghat, Supdt. of Land Records Balaghat, Executive engineer, PHED Balaghat and Deputy Director Agriculture Department Balaghat for providing useful data.

I am highly grateful to Mr. Arun Sharma Geohydrologist for making available the resistivity data and I am heartly indebted to Mr. Gajanan Singh Nagpure and Pomeshwar Borikar for his help in field studies in time to time.
My sincere thanks to all the staff members of this School for their generous help in several ways and to all those people who supported me directly or indirectly during my entire research work.

My deepest gratitude to Mrs. Meena Saksena and Mrs. J. Kuity for their immense affection, care and providing me homely environment and words of motivation that have augmented pace of research.

I am extremely indebted to record deep appreciation to the strongest pillars of my life my parents Mrs. R.K. Brahme and Mr. G. L. Brahme for their very kind blessings and sincere encouragement for conducting the research work.

Dated                                                                                                     Poornima Brahme
