Acknowledgements

"First and foremost, Thanks to Almighty for such higher education in my destiny"

This thesis arose in part out of years of research that has been done since I came to RRL, Jammu. By that time, I have worked with a number of people whose contribution in assorted ways to the research and the making of the thesis deserved special mention. It is a pleasure to convey my gratitude to them all in my humble acknowledgment. In the first place, I would like to record my gratitude to Dr. Inshad Ali Khan for his supervision, advice, and guidance from the very early stage of this research as well as giving me extraordinary experiences throughout the work. Above all and the most needed, he provided me unflinching encouragement and support in various ways. His truly scientist intuition has made him as a constant oasis of ideas and passions in science, which exceptionally inspire and enrich my growth as a student, a researcher and a scientist want to be. I am indebted to him more than he knows.

I would like to thanks Dr. Ram Vishwakarma, Director, Indian Institute of integrative medicine, Jammu (JNJ H, Jammu) for granting me permission to carry out our research work here and providing me the facilities.

I gratefully acknowledge Dr. Sajid Hussain, Dr. Bhupinder Singh Chadda, Dr. Harvinder Singh Saini and Dr. Sukhraj Kaur Department of Microbiology, Guru Nanak Dev University for their advice, supervision, and crucial contribution. I am also thankful to their students particularly Mrs. Asiya and Mr. Rohit for moral encouragement and help, whenever I approach him.

Many thanks go in particular to Dr. Manoj Kumar. His involvement with his originality has triggered and nourished my intellectual maturity that I will benefit from, for a long time to come. Manoj, I am grateful in every possible way and hope to keep up our togetherness in the future.

I am thankful to all the Administrative and Scientist members of JNJ H family especially Dr. Jaswant Singh, Dr. Krishan Avtar Suri, Dr. Subash Chander Taneja, Dr. Sarang Bani, Dr. Anamika Khajuria for their help and encouragement. I am highly thankful to Dr. Asha Chaubey for their knowledge full support during the entire Ph.D work. Thanks to Dr. Joystna Suri and Janakraj who made my study more interesting by helping me to study histopathological parameters. I am thankful to each one of them from administrative staff, animal ethical committee and animal house workers of JNJ H without their help it is difficult to carry out my research work.

I greatly acknowledge the Council of Scientific and Industrial Research (CSIR), New Delhi, India for the financial assistance in the form of Senior Research Fellowship. I am also thankful to SMM 0005/NM/TDL (Council of Scientific and Industrial Research), New Delhi, India for the financial support of my research.

Collective and individual acknowledgments are also owed to my colleagues Dr. T. G. Khan, Pankaj Suden, Dr. Sanjeev, Mr. Zahid, Mr. Ashwani, Mr. Ali, Ms. Anshu, Mr. Furqan, Mr. Nisn and Mr. Akash whose presence somehow perpetually refreshed, helpful and memorable. Thanks for the science discussion and exhilarating time we spent together as lab mates.

I am intensely grateful to Mr. Surinder and Mr. Mohinder for being wonderful colleagues and friends. Their contribution throughout my study was beyond words of recognition. They also provided me the inspiration and mental toughness to stand against all odds. I know that any attempt to express my gratitude for the help and love
they offered me with words, is a futile exercise. The time I had spent with them will always remain as a wonderful memory in my mind.

Where would I be without my family? My parents deserve special mention for their inseparable support and prayers. My Father is the person who put the fundament my learning character, showing me the joy of intellectual pursuit ever since I was a child. My Mother is the one who sincerely raised me with her caring and gentle love. I truly thankful to my brother and in laws for their support and unconditional love.

Words fail me to express my appreciation to my loving wife Sarika whose dedication, love and persistent confidence in me, has taken the load off my shoulder. I owe her for being unselfishly let her intelligence, passions and ambitions collide with mine.

Finally, I would like to thank everybody who was important to the successful realization of thesis, as well as expressing my apology that I could not mention personally one by one.

I also thanks for all who I might forget to mention their name, but offered me any kind of support.
