CERTIFICATE .................................................................................................................. ii  
DECLARATION .................................................................................................................. iii  
ACKNOWLEDGEMENT ...................................................................................................... iv  
ABSTRACT ......................................................................................................................... vi  
TABLE OF CONTENT ....................................................................................................... vii  
LIST OF TABLES ............................................................................................................... xiii  
LIST OF FIGURES ............................................................................................................. xv  

1. **INTRODUCTION** ...................................................................................................... 1  
   1.1 **GLOBAL ECONOMIC SLOWDOWN** ................................................................. 3  
      1.1.1 Global Economic Slowdown: 2007-2013 ......................................................... 4  
   1.2 **INDIAN SERVICE SECTOR** .............................................................................. 6  
      1.2.1 Sectoral contribution to the Indian GDP ....................................................... 8  
   1.3 **INDIAN IT SERVICES INDUSTRY** ................................................................. 10  
      1.3.1 Indian IT industry Milestones ................................................................. 10  
      1.3.2 IT Major Players ....................................................................................... 15  
      1.3.3 Contribution of IT industry to the Indian Economy .................................. 16  
      1.3.4 Segmentation in Terms of Services ......................................................... 17  
      1.3.5 Segmentation In terms of market ........................................................... 21  
   1.4 **STATEMENT OF THE PROBLEM** ................................................................. 21  
   1.5 **RESEARCH QUESTIONS** ................................................................................. 22  
   1.6 **OBJECTIVES OF THE STUDY** ..................................................................... 23  
   1.7 **HYPOTHESES** ............................................................................................. 23  
   1.8 **RELEVANCE OF THE STUDY** ................................................................. 23  
   1.9 **CHAPTER SCHEME** .................................................................................... 26  

2. **RESEARCH METHODOLOGY** ............................................................................. 29  
   2.1 **DATA COLLECTION METHODS** ................................................................. 30  
   2.2 **TOOLS OF ANALYSIS** .............................................................................. 30  
   2.3 **CONCEPTUAL FRAMEWORK** ..................................................................... 31  
   2.4 **LIMITATIONS OF THE STUDY** ................................................................. 32  
   2.5 **DEFINITIONS AND EXPLANATION** ......................................................... 32  
   2.6 **VARIABLES USED IN THE STUDY** .......................................................... 36  

ix
3. REVIEW OF LITERATURE .................................................................38
   3.1 POSITION OF THE INDIAN ECONOMY IN THE GLOBAL
       ECONOMY ................................................................................38
   3.2 ROLE OF EXPORTS IN THE INDIAN ECONOMIC GROWTH ........41
   3.3 ROLE OF SERVICE SECTOR IN THE INDIAN ECONOMY ..........43
   3.4 ROLE OF IT INDUSTRY IN THE INDIAN ECONOMY ..............46
   3.5 ROLE OF IT EXPORTS IN THE INDIAN ECONOMY ...............47
   3.6 GLOBAL ECONOMY IN THE CONTEXT OF GLOBAL ECONOMIC
       SLOWDOWN ..............................................................................52
   3.7 INDIAN ECONOMY IN THE CONTEXT OF GLOBAL ECONOMIC
       SLOWDOWN ..............................................................................53
   3.8 INDIAN IT EXPORTS IN THE CONTEXT OF GLOBAL ECONOMY 55

4. ANALYSIS OF THE GLOBAL ECONOMIC SLOWDOWN TRENDS --58
   4.1 IMPACT ON MACRO ECONOMIC VARIABLES IN THE GLOBAL
       CONTEXT ..................................................................................58
       4.1.1 Impact of Global economic slowdown on the Global Economies Real
             GDP 59
       4.1.2 Impact of global economic slowdown on service sector share to the
             Real GDP .............................................................................70
       4.1.3 Impact on International Trade-Exports ...............................76
       4.1.4 Impact on Service Exports .................................................80
   4.2 IMPACT ON GLOBAL IT INDUSTRY .........................................82
       4.2.1 Impact on Global Information & Communication Technology (ICT)
             Spending ............................................................................83
       4.2.2 Impact on Global Information & Technology (IT) Spending 86
       4.2.3 Impact on Global IT spending share on Global GDP ............87
       4.2.4 Impact on Global Sourcing through Information & Technology (IT)
             Exports 89
   4.3 IMPACT ON THE INDIAN SERVICE SECTOR ............................92
       4.3.1 Impact on service sector share to Indian GDP .....................93
       4.3.2 Impact on Indian service exports .......................................94
       4.3.3 Impact on segment share and growth of major industries in India
             services Balance of Payments current account ........................96
5. ANALYSIS OF THE INDIAN IT EXPORTS DURING GLOBAL ECONOMIC SLOWDOWN

5.1 IMPACT ON THE IT INDUSTRY TOTAL REVENUE

5.2 IMPACT ON THE DOMESTIC IT REVENUE

5.3 IMPACT ON THE IT EXPORTS REVENUE

5.3.1 Econometric Analysis on IT exports Revenue Performance

5.4 IMPACT ON SEGMENT WISE IT EXPORT VOLUME & REVENUE

5.5 IMPACT ON THE SHARE OF INDIAN IT EXPORTS IN GLOBAL IT EXPORTS

5.6 IMPACT ON THE COMPARATIVE POSITION OF INDIAN IT EXPORTS

5.7 IMPACT ON INDIAN IT EXPORT DESTINATIONS

5.8 IMPACT ON THE INDIAN IT EXPORTS BFSI VERTICAL EXPOSURE

5.9 FACTORS CONTRIBUTING TO THE GROWTH OF INDIAN IT EXPORTS DURING GLOBAL SLOWDOWN

6. FINDINGS, SUGGESTIONS AND CONCLUSIONS
LIST OF TABLES

Table 4.1 Global Real GDP Growth Rate (%) ................................................................. 59
Table 4.2 Real GDP %) performance analysis of the Developed & developing economies during global economic slowdown (2007-2013) ............................................. 61
Table 4.3 Pearson correlation coefficient of Developed Economies vs Global Real GDP .............................................................................................................................. 62
Table 4.4 Pearson correlation coefficient of Developing Economies Real GDP vs Global Real GDP ........................................................................................................ 63
