ACKNOWLEDGEMENT

I have great pleasure in expressing my profound sense of gratitude and sincere thanks to my Guide and Teacher **Dr. T.Prabhakar**, Professor, University College of Pharmaceutical Sciences, Andhra University, Visakhapatnam for his invaluable suggestions, incredible patience, utmost care, keen interest and constant encouragement in shaping this research work and to bring it to completion.

I express my sincere thanks to **Dr.P.Sudhakar**, Coordinator, Department of Biotechnology, Acharya Nagarjuna University, Nagarjuna Nagar for having provided the necessary support for the completion of the research work.

I express my sincere thanks to **Prof. K.R.S. Sambasiva Rao**, Professor, Department of Biotechnology, Acharya Nagarjuna University, Nagarjuna Nagar for having provided the necessary support for the completion of the research work.

I express my sincere thanks to **Dr. A. Krishna Satya**, Assistant Professor, **Dr. K. Kasturi**, Assistant Professor, **Dr. P. Udaya Sri**, Assistant Professor, **Miss. N. Vijaya Sree**, Assistant Professor, **Dr. K. Haritha**, Assistant Professor and **Prof.Y. Vikram Kumar**, Honorary Visiting Professor,Acharya Nagarjuna University, Nagarjuna Nagar for having provided the necessary support for the completion of the research work.
I express my sincere thanks to Dr. G. Girija Shankar, Associate Professor, University College of Pharmaceutical Sciences, Andhra University, Visakhapatnam for having provided the necessary support for the completion of the research work.

I am very grateful to Prof. D. Gouri Sankar, Professor, Department of Pharmaceutical Analysis, Andhra University, Visakhapatnam for his timely help in my doctoral program.

I am immensely grateful to the Management of J.K.C College, Guntur for providing me the required infrastructure for the completion of the proposed work.

I am very much grateful to Sri. S.R.K. Prasad, Director, J.K.C. College for providing the necessary leave of absence and permission for carrying out this research work.

I would like to express my gratitude to Dr. G.V. Padmavathi, Head, Dept. of Biotechnology, J.K.C. College and my colleagues Dr. C. Balasekaran, Smt. V. Panchakshari, Smt. T. Naga Pratyusha who have always encouraged me to complete this research work.

I would like to thank Smt. Pavani, Smt. Jyothi and students Sirisha, Nautha, Anusha, Jahnvi, Revathi, Geetha, Rajeswari, Uma for helping me all through my project.
I am very grateful to my beloved parents, my sisters, my brothers, my brother-in-laws and friends who have given me the moral support during my course of study.

I would fail in my duties if I forget to thank my wife Smt. CH. Bramaramba and my daughters M. Guru Prasanna and M. Guru Mounisha who have been a constant and continuous source of delight and encouragement during my research work. I would like to thank each and every one who are directly or indirectly associated with this research work and without whose contributions this dream could not have materialized.

I am equally thankful to The God Almighty for blessing me and giving me the courage, strength, health and patience for completing this research work.
