ACKNOWLEDGEMENT

At the outset, I thank God Almighty for enabling me to undertake and complete this research.

Many people have contributed in various ways and without their support this thesis would not have been possible. They can never be adequately thanked, but perhaps a mention here will let them know that their help has been appreciated.

In the beginning itself, a word of thanks will not suffice the contribution of my respected and beloved guide Prof. Dr. R. Radhakrishnan M.Com, M.Phil, Ph.D Principal, Anbu Arts and Science College, Komarapalayam, Namakkal district, for his constant guidance, advice, constructive suggestions, cooperation and encouragement without which it would not have been possible for me to bring out this thesis. I received immense support from him all throughout in this endeavor. He patiently listened to my doubts and helped me at all times. His competent guidance frankness, excellence and integrity inspired me throughout my research. Under his guidance, I successfully overcame many difficulties and learned a lot. He showed utmost interest, went through my works very patiently, corrected and improved the thesis in all possible ways. Thank you so much Sir for being there with words of inspiration, wisdom and optimism that always helped me to see the bright side of things.

I would like to place on record my gratitude to the doctoral committee member Prof. Dr. Rupa Gunaseelan, Bharathiar School of Management and Entrepreneur Development, Bharathiar University, who explained to me the research fundamentals, which crystallized into a better understanding of this research. She has taken pain to review my thesis and has helped me by insightful comments that this idea or that procedure was not explained clearly. Many discussions with her have added greatly to a clearer understanding of the research problem. She has also supported me in every stage of the thesis-writing venture and provided valuable inputs to the thesis. She also gave me many valuable ideas in research and also guided me to give a shape to my research work. I am deeply indebted to her for the immense support in submission of my thesis. I am extremely grateful to her for the wholehearted support and constant encouragement in my endeavor despite her busy schedule.

I thank Prof. Dr.R.Venkatapathy, Director, BSMED, Bharathiar University and Prof. Dr.R.Shanmugam, Reader, BSMED, Bharathiar University for their expert views which shaped my thesis in a great manner.
I express my sincere thanks to Prof. Dr. P. Thirumalvalavan, Prof. Dr. V. Ramanujam and Prof. Dr. S. Mahalingam, BSMED, Bharathiar University, (Doctoral committee members) for their valuable advice.

I extend my heart full thanks to Prof. Dr. G. Ganesan, Director, Research and Development Centre, Bharathiar University for his continuous encouragement throughout the research period.

I express my sincere thanks to Prof. Dr. G. James Pitchai, Vice Chancellor, Bharathiar University, Coimbatore, for his motivation and timely help to complete this research work successfully.

I am especially grateful to Dr. Kiran Raveendran, Associate Professor, Department of Management Studies, Chinmaya Institute of Technology who believed in the potential of the research topic and wholeheartedly supported it by contributing several useful suggestions which were drawn from his own research. I learned the basis of several statistical analysis techniques using SPSS while pursuing my doctoral work and I am grateful to him for the long hours he put in to improve my understanding of statistical techniques and convert my dream into reality. With his enthusiasm, inspiration and remarkable capability to explain things clearly he made the research work thoroughly enjoyable for me. I would also thank him for his friendship, empathy and affection.

I owe my deepest gratitude to the officers and members of the staff of ‘Factories and Boilers Inspector Office’ for giving me timely support and assistants by providing the required data.

I express my sincere thanks to the managers and staff of various tile factory units in Kerala for their co-operation.

I extend my sincere thanks to the tile factory workers of various units for their wholehearted co-operation in sharing their experiences.

Lastly, and most importantly, my special thanks are due to my parents, sister, brother-in-law and all the well-wishers including my friends for their interest, encouragement, support and prayer at all times.
