ACKNOWLEDGEMENT

I offer all glory, praise and honor to the Triune God and Loving Mother Mary for showering their grace upon me to complete my doctoral research work.

I sincerely thank the Vice-Chancellor, Bharathiar University, Coimbatore, for providing me with this opportunity.

I wish to thank the Registrar, Bharathiar University, Coimbatore, for granting this privilege to pursue my research work. I express my gratitude and appreciation to the Director, Research and Development Centre, Bharathiar University, Coimbatore, for me to carry out research work.

My profound gratitude to my guide Dr. S. Arul Antony, Associate Professor, PG & Research Department of Chemistry, Presidency College, Chennai, for all his valuable suggestions, keen interest guidance, constant encouragement and support during the course of my research work.

I sincerely thank Dr. M. Mohamed Ibrahim, Principal Presidency College, Chennai, for granting me the space to accomplish my research work.

I owe my deep sense of gratitude to Dr. Sr. Jasinta Quadras f.m.m., Principal, Sr. Susan f.m.m, Secretary and Vice-president, (Society of the Franciscan Missionaries of Mary), Stella Maris College for their unflinching support and encouragement in completing my research work and for extending facilities in the college campus and lab. I also thank all the members of the Franciscan Missionaries of Mary congregation, Stella Maris College for their prayers.

My sincere thanks to Rev. Fr. Dr. B. Jeyaraj, S.J., former Principal, Loyola College, Chennai, for his help and motivation during the course of my research work and for granting me permission to use the infrastructural facilities at LIFE, Loyola College, Chennai. I place on record my gratitude to Dr. Selvanayagam, former Director, LIFE, for permitting me to use the facilities at LIFE. I am grateful to all my research scholars, at LIFE, Loyola College for their timely help.

I wish to acknowledge Ms. V. Jeseentha Rani for her timely help and valuable suggestions to accomplish the research work.
I express my gratitude to Dr. Mary George, Head, Department of Chemistry, Stella Maris College, Dr. Mary Terry, Asst. Professor, Department of Chemistry, Stella Maris College for all their constant support, encouragement, wishes and prayers. I thank Dr. Shiny John Viaramon, Former Head, Associate Professor, Department of Chemistry, Stella Maris College for her support and wishes.

I express my sincere thanks to Dr. Geetha Swaminathan, Dr. Rukmani Srinivasan and Dr. Jesurietta Sathian for all their good wishes and prayers.

I thank all the other colleagues of the Department of Chemistry for their help.

I thank Lab Technicians Ms. Fatima, Mr. Ilango, Ms. Amali and Ms. Victoria of the Department of Chemistry, Stella Maris College, Chennai for their timely help.

My heartfelt gratitude to Mr. Manikandan, Assistant Professor, Annamalai University and Dr. Sunaja Devi, Assistant Professor, Christ University, for their great concern, valuable suggestions, constant help and consistent words of motivation during the entire course of my research work.

The greatest gift of life is friendship, and I have received it. I really feel gifted to have Mrs. Avila Josephine, B as my friend, who has supported and strengthened me in all endeavors of my life. She is my research companion. Special thanks to Mr. Lucein Delamourd for his brotherly support and encouragement.

Gratitude unlocks the fullness of life, I am grateful to my Husband, Mr. L. Franklin Joseph Raj who is my strong pillar and support. I thank him especially for his concern and caring thought in completing my research work. I thank my children F. Felis Matthew and F. Ricky Benedict for their understanding and loving support during my research work. I also thank my Father-in-Law Mr. A.K. Loordhanathan and Mother-in-Law Mrs. L. Mary Margaret for all their wishes and prayers.

Words cannot express my gratitude to my beloved parents Mr. Y. Vincent and Mrs. Elizabeth for their love, patience, guidance and inspiration during the entire period of my research work. I also thank my friendly sister V. Theresa Josephine for her support and encouragement.

Mary Teresita V.
