ACKNOWLEDGEMENTS

Before I start, all thanks must be owed to the Almighty, who gifted me this life and provided me with all the following eminent people to support and stand behind me in order to complete this work. I take this opportunity to express my deep sense of gratitude to my honorable guide Dr. P. V. Krishna, M.Sc., M. Phil., Ph.D. Assistant Professor, for his valuable guidance and constant encouragement during the entire course of my research work, without which it would not have been possible for me to complete this work.

My sincere thanks are due to Prof. V. Viveka Vardhani, Head of the Department of Zoology & Aquaculture and Chairman, Board of Studies for providing necessary facilities to carry out this work. I also express my sincere thanks to Prof. P. S. R. Anjaneyulu (Retd.), Prof. S. V. Sharma (Retd.) for their help and encouragement.

I am grateful to Prof. K. R. S. Sambasiva Rao, Dr. K. Veeraiah, Dr. P. Padmavathi, Dr. G. Simhachalam, Dr. K. Sumanth Kumar, Dr. M. Jagadeesh Naik, Dr. V. Venkata Rattamma, Dr. K. Sunitha and Dr. N. Gopal Rao for their suggestion and constant encouragement.

I express my unfathomable gratitude to Dr. B. S. Rao garu, Dr. B. Jhansi Lakshmibai garu (Directors, Sri Chaitanya Educational Institutions) and Mr. B. Rama Krishna (Principal, Sri Chaitanya Educational Institutions, Vijayawada), who extended their support for successful completion of my research work in time.

I am extremely thankful to Sri. T. Srinivas Rao Senior Technical Officer, PVS laboratories, Gudiwada for their constant help and encouragement, without whose help I could not complete this work.
My heartfelt appreciation and affectionate thanks to Dr. M. Shailender, Dr. Ajiz Ali, Dr. B. N. Srinivas, G. Srinivas, I. Srinivasa Murthy, S. V. Ramana Kumar, P. Srinivasa Rao, V. Siddhartha and K. Madhusudan Rao for their moral support and encouragement. I am graceful to Sri P. Venkateshara Rao, (Retd.) H.O.D of Zoology, C. R. College, Chilakaluripeta for his blessings and moral support during this work.

I would like to thank especially Sri. K. Desengu Raju, lab assistant in the Department of Zoology and Aquaculture and Sri. Raju, clerk, in the Department of Zoology and Aquaculture for their assistance and co-operation, during the experiment.

My sincere thanks to my parents, brothers, wife and children who always supported and encouraged me to finish this project. I know that words are not enough to express my gratitude to them.

Last but not least, my cordial gratitude to cryptogamic beloved person, without moral boosting my dream ever comes true. In this paramount achievement I will be graceful to forever.

I sincerely extend my thanks to all those contributed whom I did not refer the names, during the strenuous and extensive work.

Thanking you all,

M. Veerababu
