ACKNOWLEDGEMENT

The completion of my dissertation and subsequent Ph.D. has been a long journey. It’s true that “Life is what happens” when you are completing your dissertation. Life doesn’t stand still, nor wait until you are finished and have time to manage it. A lot has happened and changed since the time I’ve been involved with this project. This thesis has been kept on track and been seen through the completion with the support and encouragement of numerous people including my well wishers, friends, colleagues and various institutions. At the end of my thesis, it is a pleasant task to express my heartfelt thanks to all those who contributed in many ways to the success of this study and made it an unforgettable experience for me.

I would like to say a very big thank you to my supervisor Prof. Shailaja Katre, she has been a tremendous mentor for me. I would like to thank her for encouraging my research and for allowing me to grow as a research scientist. Without her guidance and constant feedback this Ph.D would not have been achievable.

I am thankful Prof. Kanchan Mande, Dr. Rajashree Mohadikar and Dr. Manisha Phanasalkar who convinced me that I should pursue my doctoral degree.

Big thank you to the University Grants Commission for offering me Junior Research Fellowship in Science, Humanities and Social Sciences Scholarship funding program for supporting my research.
I express my sense of gratitude to the authorities and the staff of library of the Department of Sanskrit and Prakrit Languages, Savitribai Phule Pune University, the library of Delhi University and the library of University of Buddhism of Vietnam for giving me the opportunity to pursue my research studies.

I am grateful to Most Venerable Thích Huệ Trung of my Master, who had given me the lessons with reference to the teachings of the Buddha. Because of his teachings only I had precious experiences in life, and the Noble sentiment in the early period of my youth.

A very special thank you to Venerable Thích Tự Tánh, abbot of Giác Lâm Pagoda in Hồ Chí Minh City of Việt Nam, Venerable Thích Lệ Ngôn and the Bhikhus, Bhikkhunīs, Upāsakas and Upāsikās for their undivided support and interest in many ways. I am grateful to my family for their love and attention to every step in my life; without whom it was impossible to complete my thesis.

Finally, I am thankful to all my friends for providing support for this my research.
