ACKNOWLEDGEMENT

I would like to express my deep and sincere gratitude to my supervisor Dr. Vimal Kumar Kanungo, Assistant Professor, Department of Botany, Govt. Nagarjuna P.G. College of Science, Raipur (C.G.). His understanding, enthusiasm, inspiration, guidance, and support have provided a good base to present the thesis. Words are simply not enough to express my deeply-felt gratefulness to him.

I would also like to acknowledge with sincere gratefulness, the support and motivation from Dr. M.L. Naik, Ex. Professor and Head, SOS in Life Science, Pt. Ravishankar Shukla University Raipur (C.G.), throughout the research work.

I am very much grateful to Dr. K.N. Bapat, Principal, Govt. Nagarjuna P.G. College of Science, Raipur, C.G., for his consistent encouragement and ensuring provision necessary facilities during my research work.

I am highly thankful to Dr. R. Pimpalgaonkar, Head, Department of Botany, Govt. Nagarjuna P.G. College of Science, Raipur, C.G., for and my previous head of department Dr. Preeti Tiwari for their valuable suggestion, support and facilities.

I also extended my sincere gratitude to Dr. V.N. Mishra, Sr. Scientist, Dept. of Soil Science, Indra Gandhi Agricultural University, Raipur, C.G. and Dr. Sanket Thakur, for their kind support and facilities provided to me.

I am also sincerely thankful to DR. V. Kohli, Dr. R. Diwan, Mr. A. K. Sharma, Dr. N.B. Singh, Dr. S. Patra, Dr. R. Maheshwari, Mrs. I. Mandrik, Dr. K.R. Das, Dr. P. Mishra, Dr. Neerja Sen, Dr. Sapna Sharma Sarswat, and Mr. P.S. Gour for their consistent support and encouragement.
I am thankful to office staff of Department of Botany and supporting staff of Govt. Nagarjuna P.G. College of Science, Raipur, C.G., for their help during research work.

I do not have words to express the contribution of my family members, my cheer leaders, specially my husband Samir, my daughters Kanupriya and Haritima, my sister Parmita and Ashok Jeeja ji, my sister in law Divya and Anand ji, and Moulshree, Mrigank, Kanika, Karn and Anushka it is only their encouragement, support, and blessings, that enabled me to submit this thesis.

Words fail me in expressing my gratitude to all those stalwarts who laid the foundation of botanical sciences and researchers who tirelessly worked in understanding the homegardens across the world, whose works I have referred to throughout my thesis.

My sincere thanks to all those who helped me directly or indirectly during my research work.

SANGEETA
