Acknowledgment

Apart from the efforts of me, the success of any project depends largely on the encouragement and guidelines of many others. I take this opportunity to express my gratitude to the people who have been instrumental in the successful completion of this Thesis.

First and the most, I am grateful to my supervisor, Dr. R. K. Agrawal Ex. Professor and Head Department of Zoology, Govt. Nagarjuna P.G. College of Science, Raipur C.G. for his support, expert guidance and incredible advice throughout the research and thesis writing.

I am grateful to the Principal Govt. Nagarjun P.G. College of Science, Raipur C.G. for providing laboratory and library facilities.

I would like to show my heart-felt gratitude to Prof. Dr. M. L. Nayak who has always been a source of constant encouragement during my period of research. I feel great pleasure to express my deep sense of gratitude to him for suggesting problems, checking the experimental results and manuscripts.

I am thankful to Dr. A. K. Bansal Principal (Retired) Govt. P. G. College Kanker) not only for granting permission to carry out the work but also for providing necessary equipment and for his affection and encouragement.

I would like to thank Mr. R.S. Khare (Fishery officer kanker distt.) and Miss Beena ganpale for their sincere help during the course of this work.

I would also like to thank Mr. Ashish Shrivastava, Mr. Hamid Khan & Munna Yadav (Antagarh Block), Mr. Naarad Mandavi & Kanhaia dharat (Charama Block), Mr. Bhagwandas Surojia & Narash Vatti (Narharpur Block), Mr. Matiara & Group (Kanker Block), Mr. Nikhil Thakur & Durjanram Nishad (Bhanupratappur Block), and Sujit Mandal(Pakhanjoor Block) or their co-operation and providing the necessary equipments in sample collections, in which greatly ease the sample collection process.

I am also highly obliged to District administration Kanker Distt., Specially to Mr. Alexandra Kero and his team. Without the help received from them, the field work in most naxal affected Blocks (Bhanupratappur, Antagarh, Pakhanjoor) of Kanker district would not have to a successful completion.
I am thankful to Mr. Kishan Manikpuri, Mr. Ajitesh Sing and Gulab Sing Rajpoot for computer typing and other valuable suggestions at all the stage of work.

I am also thankful to teachers of govt. college of Kanker and all the teachers of Zoology Department Govt. V.Y.T. Auto. P.G. College Durg, for their encouragement and moral support.

Words cannot express my emotions while I acknowledge my family members who gave me much strength in the completion of this work. I wish to thank my parents Mrs. Calista Minj and Late B.S. Minj and all Brothers and Sister. Their love provided my inspiration and was my driving force. I also want to thank to my in-laws for their unconditional support.

I would like to show my heart-felt gratitude to my elder brother Prabodh Minj for his valuable co-operation, this thesis would not have to a successful completion without the help I received from him. I equally thank to Mr. Kaushal singh for his great help and support.

I am also thankful to Sadhna, Satrani, puranic, Laxmikant, Ashok Nishad, Anil, Saif, Tidke, Thakur and Lalit for their help at all the stages of the work.

It gives me pleasure to acknowledge my husband Vinod whose love and encouragement allowed me to finish this journey. I express my sincere and hearty feelings to him for providing necessary facilities and all type of support. Finally, I would like to thank my loving son Ritin and sweet daughter Srishti who had to miss number of affectionate hours that truly belong to them during the course of this work.

Lastly I offer my regards and appreciations to all of those who supported me in any respect during the completion of the study. Last but not least, I owe a deep sense of gratitude to the almighty who has steered and sustained me throughout the tenure of the work.

Finally, I would like to dedicate this work to my lost relatives including Grandparents and my father B. S. Minj who left us too soon. I hope that this work makes you proud.

(MRS. DIVYA KUMUDINI MINJ)
