Acknowledgements

It gives me immense pleasure and joy to express my heartfelt gratitude to my supervisor, Dr. Ashis Kumar Mukherjee, Reader, Department of Molecular Biology and Biotechnology, Tezpur University, who has guided me throughout this work. Without his constant inspiration, encouragement and constructive criticism, the present investigation would not have been possible.

I would like to express my sincere thanks to Prof. B.K. Konwar, HoD, and other faculty members of the Department of Molecular Biology and Biotechnology, Tezpur University, for their kind help and encouragement during the tenure of my research period.

No amount of words can adequately convey my sense of deep gratitude to Prof. Glenn F. King, Department of Molecular, Microbial and Structural Biology, School of Medicine, University of Connecticut Health Center, Farmington, CT, USA, Prof. Michael H. Gelb, Department of Chemistry and Biochemistry, University of Washington, Seattle, Washington USA and Prof. J.K. Roy, Department of Zoology, Banaras Hindu University, Varanasi, for critically reviewing either the synopsis or a part of my research work and for their valuable suggestions. I am thankful to Prof. Anil K. Lala, Indian Institute Technology, Mumbai, India for his kind help.

It is a great pleasure for me to offer sincere thanks to my colleague Mr. Kishore Das, for his friendly advice and constant encouragement. I am also grateful to Mr. Naba Bordoloi, Mr. Bhaben Tanti, Ms. Sangeeta Nath, Ms. Deepmoni Deka and others for their kind help and suggestions. Further, I would like to thank Mr. Kalyan Hazarika for his technical assistance in HPLC and other works. I am thankful to Bijoy Mesh, Deepak Deka and Dharanidhar Bania, who helped me in different ways during the tenure of my research work.

My special thanks to Mr. N. Taye, a local healer from Ratkey Village, Jonai, Assam, who provided me the information and helped me in collecting the medicinal plants used by the Mishing Community for the treatment of snakebite.
I would like to thank Mr. Parnab Das and all my friends and well wishers for their kind help, suggestions and encouragement.

Last but not the least; I would like to express my deep sense of gratitude to all of my family members, for their enthusiastic inspiration to me throughout my academic career.

The financial assistance from the University Grants Commission, New Delhi in pursuing the present work is highly acknowledged.
