ACKNOWLEDGEMENT

It is indeed a great pleasure to recall the people who have helped me in the completion of my thesis. To name all of them would be impossible, yet I attempt to show my gratitude to a select few, to whom I am greatly indebted.

I am extremely grateful to my respected teacher and guide, Dr. (Smt) S.R. Patil, Professor of Social Work, Post graduate department of studies in Social Work, Karnataka University, Dharwad, Karnataka, for her able guidance, supervision, invaluable suggestions, and kind help rendered by her throughout the course of my study and in the preparation of this thesis.

I am grateful to Dr. (Smt) S.R. Patil, Professor of Social Work, Post graduate department of studies in Social Work, for this opportunity to widen my knowledge and improve skills in this profession.

I would like to take this opportunity to express my most sincere and humble gratitude to my respected Dr. (Smt) V.B. Pai, Professor and Chairperson, Dr. S.Y. Swadi, Associate Professor of Social Work, and, Dr. (Smt) S.R. Mane, Associate Professor of Social Work, of Post graduate department of studies in Social Work, Karnataka University, Dharwad, Karnataka, for their timely help in the different phases of this research work.

I express my sincere gratitude to Dr. V.D. Patil, Registrar of KLE University, Dr. N.M. Patil, Professor & HOD, Department of Psychiatry, J.N. Medical College, and, Dr. P.F. Kotur, Former Registrar of KLE University, Belgaum, for allowing me to utilize the facilities in the Dr. Prabhakar Kore Hospital & Medical Research Centre, Belgaum for the thesis.

I am grateful to Dr. K.B. Nayak, Associate Professor of Psychiatry, of J. N. Medical College, Belgaum, for his expert guidance in data analysis, interpretation producer and the timely help.

My special thanks to Dr. S.S. Chatte, Assistant Professor of Psychiatry, Dr. V.A. Keparde, Assistant Professor of Psychiatry, Mr. R.S. Hegde, Rtd Associate Professor of Clinical Psychology, Mrs C.S. Billur, Lecturer in Clinical Psychology, and, my colleagues from Department of Psychiatry and all my friends for their constant help and support.

I am eternally grateful for my late father Shri Rangaraao H. Konjalgi, for all his abundant blessing, he has showed upon me and his constant presence.
I will always fall short of words when I express my gratitude to my beloved mother Smt. Shakutal K. Koujalgi, and my family members whose cherished blessings and countless sacrifices are behind whatever success I have achieved in my life. They are the reason for my being who I am.

I express my gratitude towards my dear loving wife Smt. Shreedevi S. Koujalgi for providing me support in thick and thin phases during the completion of this research work.

I take this opportunity to extend my heartfelt thanks to my friend Miss. Geeta N. Bangari for her timely help.

I sincerely thank all the nursing staff of Psychiatry OPD and IPD for their immense cooperation in completion of this research work.

And I wish to offer my thanks to Post graduate department of studies in Social Work, Karnataka University, Dharwad, Karnataka for their timely help.

Last but not the least, this acknowledgement is incomplete if I fail in my duty to thank all the subjects and their family who have wholeheartedly participated in the study and have made the study complete.
