ACKNOWLEDGEMENT

It gives me immense pleasure to express my profound sense of gratitude and respect to my venerated guide Dr. A. S. Talawar, Associate Professor, P.G. Department of Studies in Statistics, Karnatak University, Dharwad. I am indeed thankful to him for his constant encouragement, valuable guidance, boundless patience and keen attention in research throughout the course of this work. I am indeed proud privilege to work under his able guidance.

I take this opportunity to acknowledge my special debt of gratitude to Dr (Smt.) S. B. Munoli, Chairperson, P.G. Department of Studies in Statistics, Karnatak University, Dharwad for her continuous encouragement to take my research work.

I thank the teaching staff our department Prof. A. S. Kadi, Dr. (Smt.) S. V. Bhat, Dr. V. B. Joshi, Dr. Nagesh and non-teaching Mr. Sunil, Miss. Mubeen, Mr. Manjunath and Smt. Chandanmatti for their cooperation and timely help extended to me while carrying out this research work.

I express my special thanks to Shri. H. S. Pujar, Umesh Aundhkar, Rohit Muthkekar, S. R. Byakod, Sk Taslim Ali, Sahana Hiremath, Dr. Ashok Kumar, Prakash Kengal and all research scholars of our department for their cooperation, timely help and suggestions during the research work.
Words are just not enough to express my gratitude towards my Father, and all relatives for their support, inspiration and instant help. They were always a source of inspiration at all critical junctures. Finally, I must appreciate the moral understanding of my wife Jayashree and daughter Khushi that was in fact the source of inspiration in my diurnal duties to complete the research work.

I express my sincere thanks to all who have helped directly or indirectly during this course.
