ACKNOWLEDGEMENT

I would like to express my deep respect, gratitude and heartfelt appreciation to my revered teacher and research supervisor Prof. N. M. Bujurke, INSA Senior Scientist, Department of Mathematics, Karnataka University, Dharwad, for his scholarly advice, many helpful ideas, valuable discussions, constant encouragement, meticulous care at different stages of my work. It would have been impossible to pursue research work and subsequent writing of this thesis without his help, support, inspiration and confidence.

I owe a great deal of gratitude to Dr. N. B. Naduvnamani, Reader, Department of Mathematics, Gulbarga University, Gulbarga for his expert advice, spontaneous co-operation, fruitful suggestions and constructive criticism during every phase of my thesis. Also his invaluable help and personal interest at all stages of my work through his keen observation and frank discussion.

I very glad to express my thanks to Mr. Ramesh B.Kudenlati for assisting me in performing computation and discussion.

A special debt of gratitude is owed to Prof. S. S. Bhoosanurmabh, Chairman, Department of Mathematics, for his help provided during the tenure of my research work. It gives me great pleasure to thank all the members of the staff of the Department of Mathematics, Karnataka University, Dharwad for their valuable help and encouragement.

I remember with great reverence the blessings of venerable Dr. Veerendra Heggade, Dharmadhikari of Shrikshtetra Dharmasthal, and president, S.D.M.E Society, Ujire, without which I couldn't have been what I am today.

I am grateful to Prof. N. Vajrakumar, Secretary, SDME, Society, Dharwad for his affection and encouragement shown to me undertake higher studies. I am also thankful to the members of the executive committee of the society for their whole hearted support in my academic pursuit.
I am grateful to our Principal Dr. D. P. Giridhar and former Principals, S.D.M.College of Engg. & Tech. Dharwad for their encouragement and help. I am also thankful to our HOD Prof. S. G. Bhavi without his constant co-operation this work would not have been completed successfully. I thank all the colleagues of my Department and also all the staff Members of S.D.M.College of Engg. & Tech., Dharwad for their co-operation.

My research colleagues and friends have played a major role in inspiring me. I would like to thank Principal C. S. Salimath, Dr. V.S.Madalli, Dr. V.B.Awati, Dr. N. N. Katagi, Dr. G. Gurubasaraj, Mr. S. S. Benchelli, Mr. S. C. Shiralashetti, Mr. K. B. Chavaraddi and Mr. S. B. Patil.

It is with great pleasure to thank university authorities for providing Internet facility, Computing facility and library. My thanks are due to the Librarian and his staff, for providing necessary facilities.

I express my immense gratitude to my parents and brothers for their constant encouragement.

I will be failing my duty if I don’t express my gratefulness to my sons: Preetam and Prajwal for their love, sacrifice, phenomenal patience and constant co-operation during my research work. Last but not the least, my wife Mrs. Prabha for her encouragement, moral support, constant inspiration and help at each step.

I thank all my friends, relatives and well-wishers for their support.

Dhanapal P. Basti
