ACKNOWLEDGEMENT

I feel tremendously excited and fortunate enough while expressing my deepest sense of gratitude and inner sentiments to my research guide Dr. Balasaheb R. Arbad, Professor, Department of Chemistry, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad. He deserves my thanks because he has not only guided me during the completion of this research work but also motivated me, encouraged me and for his being dynamic and mesmerizing one. I deeply indebted to him for his keen interest, valuable guidance, strong motivation, constant encouragement and sympathetic consideration. His subtle guidance, advice and suggestions have always helped me to think positively and remain optimistic. The fruitful scientific discussions with him furthered my interest in chemistry. He gave me the freedom to pursue an interdisciplinary research as well as trusted me often times more than myself and never let me get out of his office without a positive thought. I am fortunate to have had an opportunity to study under him. His presence in my life is very significant at times and will remain so throughout my life.

I deeply express my sincere thanks to Dr. Machhindra K. Lande, Lecturer, Department of Chemistry, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad for his motivation, constant encouragement and guidance.

I am grateful to Prof. C. H. Gill, Head, Department of Chemistry, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad for providing research facility in the Department.

I am also thankful to Dr. M. S. Shingare, Dr. T. K. Chondhekar, Dr. R. A. Mane, Dr. S. T. Gaikwad, Mr. S. R. Sonone, Dr. A. S. Rajbhoj, Dr. S. G. Shankarwar, Mr. B. B. Shingate, Mr. B. R.
